We know that there remains anti-Semitism in the party, as the Equalities and Human Rights Commission report found, and that there was some interference in the speed with which complaints about it were handled (though details of the nature of this interference remain ambiguous). Corbyn accepted the evidence provided by the EHRC, saying it should be acted upon.

Nature education We believe every child and young person should have regular opportunities to connect with nature, so they value it, prioritise it and take action to save it. One of the greatest threats facing our natural environment is people's growing disconnection from nature, especially that of children.
