A clear, practical guide to
implementing Open Innovation
for new product development

Read Book New Products Management 10th Edition

Open Innovation: New Product Development Essentials from the PDMA is a comprehensive guide to the theory and practice of the Open Innovation method. Written by experts from the Product Development and Management

Read Book New Products Management 10th Edition

Association, the book packages a collection of Open Innovation tools in a digestible and actionable format. Real-world case studies drawn from the authors' own successes and failures illustrate the

Read Book New Products Management 10th Edition

concepts presented,
providing accurate
representation of the
opportunities and challenges
of Open Innovation
implementation. Key tools
are presented with a focus
on immediate applications

Read Book New Products Management 10th Edition

for business, allowing NPD professionals to easily discern where this cutting edge development method can push innovation forward. Open Innovation assumes that companies can and should use both internal and external

Read Book New Products Management 10th Edition

ideas and paths to market,
permeating the boundaries
between firm and
environment. Innovations
transfer outward and inward
through purchase, licensing,
joint ventures, and spin-
offs, allowing companies to

Read Book New Products Management 10th Edition

expand beyond their own research and dramatically improve productivity through collaboration. PDMA Essentials provides practical guidance on exploiting the Open Innovation model to these

Read Book New Products Management 10th Edition

ends, with clear guidance on all aspects of the new product development process. Topics include: Product platforming and idea competitions Customer immersion and interaction Collaborative product design

Read Book New Products Management 10th Edition

and development Innovation networks, rewards, and incentives Many practitioners charged with innovation have only a vague understanding of the specific tools available for Open Innovation, and how

Read Book New Products Management 10th Edition

they might be applied. As the marketplace shifts dramatically to keep pace with changing consumer behaviors, remaining relevant increasingly means ramping up innovation processes. PDMA Essentials

Read Book New Products Management 10th Edition

provides the tools NPD practitioners need to implement a leading innovation method, and drive continued growth.

A concise yet comprehensive introduction to fundamental
