will see the teacher and students seated with books open in front of them. This superficial similarity masks vast differences in teaching methodology, however. As the 20th century draws to a close, there are, around the world, at least four distinctive approaches to the teaching of L2 reading: grammar-translation, comprehension questions, skills and strategies, and extensive reading.

The EEF Toolkit highlights how effective peer-tutoring can be and this is a relatively cost-effective way of building a culture where everyone reads. With a little structured training, older children can become perfect reading partners for younger children. Providing question prompts and a structure for each session helps, too. 2.
