WATCH OUT! Side effects of reading this book include a sudden surge of self-esteem and unprecedented decisiveness in making marketing decisions. Also common are a lifetime addiction to web automation and web data scraping. After reading this book, if you spend more than 4 hours with web bots a day, call a therapist right away. WHAT'S THIS BOOK ABOUT? I'm sure you've wondered why your competitors' books are selling better than yours. In a perfect world governed by meritocracy, your books would have been selling much better than your competitors'. But Amazon is not that perfect world. Amazon is a jungle where the street-smart prevail and prosper. What if I tell you the key is marketing? "Here we go again," you

techniques and the most current research in natural language processing. The approach is unique in its coverage of semantic interpretation and discourse alongside the foundational material in syntactic processing.

This innovative handbook bridges the gap between the colorectal surgeon, the stoma nurse and the dermatologist. It addresses the questions of what pathology is involved, what can be done by nurses, when to refer to a dermatologist, and what can be done by a dermatologist. Now in its second edition, the book has been revised throughout and contains new information on nutrition and child stoma patients.
