Even when everything is going wrong, the science of happiness can help you! Pioneering positive psychologist and New York Times–bestselling author Tal Ben-Shahar shows us how in *Happier, No Matter What*. Ben-Shahar busts the all-too-common ideas that success brings happiness and that we can seek happiness itself. When hard times thwart our success and steal our joy, these ideas actually invite despair by leaving us with nothing to do. But we can do

something: We can climb the SPIRE—Ben-Shahar ’ s five-step staircase to hope and purpose. Spiritual: I am experiencing meaning. Physical: My body ’ s needs are met. Intellectual: I am learning. Relational: My friends support me. Emotional: I am allowed to feel. By truly living these five elements of well-being, we build the resilience to carry us through anything—from a personal loss to a global pandemic. Ben-Shahar ’ s all-new SPIRE method shows us the way to becoming “ whole again ” —and when we ’ re whole, we invite happiness in.

100 percent in the activities that we decide to take on? Well, probably not. The reason for this is simple: our level of engagement in an activity is constantly influenced by mood, attitude, and the staggering number of people that we interact with throughout the day. In other words, the terrible trio--mood, attitude, and those around us--subjects us to the mechanical motions of life. Perhaps the most comforting thing, though, is that as independent human beings, we have the ability to determine which parts of the trio actually end up affecting our everyday lives. This guide to hyping up your life provides several incredible tips on how to own the terrible trio. Once you implement these strategies in your life, nothing can bring you down. You can win--no matter what.

With growing academic responsibilities, family commitments, and inboxes, scholars are struggling to fulfill their writing goals. A finished book—or even steady journal articles—may seem like an impossible dream. But, as Joli Jensen proves, it really is possible to write happily and productively in academe. Jensen begins by busting the myth that universities are supportive writing environments. She points out that academia, an arena dedicated to scholarship, offers pressures that actually prevent scholarly writing. She

shows how to acknowledge these less-than-ideal conditions, and how to keep these circumstances from draining writing time and energy. Jensen introduces tools and techniques that encourage frequent, low-stress writing. She points out common ways writers stall and offers workarounds that maintain productivity. Her focus is not on content, but on how to overcome whatever stands in the way of academic writing. *Write No Matter What* draws on popular and scholarly insights into the writing process and stems from Jensen's experience designing and directing a faculty writing program. With more than three decades as an academic writer, Jensen knows what really helps and hinders the scholarly writing process for scholars in the humanities, social sciences, and sciences. Cut down the academic sword
