Noas Ark Archangel Project Book
To get the most out of this book you have to have read Archangel Down and preferably Carl Sagan's Hunt for Intelligent Life in the Universe as well. Noa's Ark picks up right where Archangel Down leaves off and finds more room for introspection of how the heck they got where they are, as well as opening doors to new places and new adventures.

Noa's Ark: Archangel Project. Book Two eBook: Gockel, C. ...

The second book is action-packed and provides answers to some of the questions raised in the first book. This series, the Archangel Project, is darker than the author's I Bring The Fire series, there's no denying it. But Noa's Ark has a satisfying balance between darkness and light. The relationship between Noa and James is luminous and at times joyful. The author makes good use of humor ...

The Book of Noah is thought to be a non-extant Old Testament pseudepigraphal work, attributed to Noah. It is quoted in several places in another pseudepigraphal work, 1 Enoch, and is mentioned in another, the Book of Jubilees. There have also been fragments attributed to a Book of Noah in the Dead Sea Scrolls.

Book of Noah - Wikipedia

The story in Genesis is repeated, with variations, in the Quran, where the Ark appears as Safina Nʾ? (Arabic: ????? ??? ? "Noah's boat"). Searches for Noah's Ark have been made from at least the time of Eusebius (c. 275–339 CE), and believers in the Ark continue to search for it in modern times.

First contact didn't go as planned. ... Time Gate 8, one of humanity's portals between the stars, has been overrun by a mysterious alien intelligence, and the planet Luddececa is now cut off. Haunted by those she left behind, Commander Noa Sato is on a desperate mission to save her homeworld. Navigating the ancient Ark, she seeks a hidden gate that will transport her ship to Earth and the Galactic Fleet. But the Luddeccan system harbors dangers, and so does her crew. The only crew member she completely trusts is James Sinclair, but he doesn't trust himself. James isn't the man he once was. He has a hunger that is never sated, kills without regrets, and is fitted with

extraordinary augments he doesn't remember getting. Can James control his augments, or will they control him? In a future where almost all humans are augmented, James's answer and Noa's mission will determine the fate of the human race ... and the enemy is already within the gates.

In the year 2432, humans think they are alone in the universe. They're wrong. Commander Noa Sato plans a peaceful leave on her home planet Luddececa ... but winds up interrogated and imprisoned for her involvement in the Archangel Project. A project she knows nothing about. Professor James Sinclair wakes in the snow, not remembering the past twenty four hours, or knowing why he is being pursued. The only thing he knows is that he has to find Commander Sato, a woman he's never met. A military officer from the colonies and a civilian from Old Earth, they couldn't have less in common. But they have to work together to save the lives of millions—and their own. Every step of the way they are haunted by the final words of a secret transmission: The archangel is down.

The Darkness will strike again ... The last time Carl, Volka, and 6T9 fought the Dark, 6T9 failed Volka. If he wants her and all the carbon based life forms that he loves to survive, he needs to change. Change for an android is as easy as flipping a switch, but dealing with the consequences is not so simple. To save Volka, he'll have to give up part of himself that Volka adores. He'll need to become something an innocent, peace loving sex 'bot was never designed to be, something he despises. To save Volka and the galaxy he'll need to become ... Android General 1.
