There is a Book for You. The Navy enlisted bookstore provides reading that may be of interest to enlisted sailors in the U.S. Navy. Included are selected books from the CNO's Navy Reading Program.

Navy Books for Enlisted Sailors

The Northstar-3 Study (HGB-212) is a Phase 3 global clinical study seeking to enroll patients who do not make the beta-globin portion of hemoglobin and who have a β^0/β^0 genotype. Based on the early data from the Northstar Study, it is believed that the current lentiviral vector technology may be more effective in decreasing the need of transfusions in people who have a β^0/β^0 genotype.

Offers a practical guide for improving schools dramatically that will enable all students from all backgrounds to achieve at high levels. Includes assessment forms, an index, and a DVD.

After following paths and signs determined by others, a young boy finally realizes that he must find his own individual way in life.

Encounter Jesus the way his followers did. Every follower of Jesus in the Gospels had a not-so-great "before": A brash fisherman. A pious religious leader. A demon-possessed woman. A thieving tax collector. Christ's love saw beyond their brokenness and forgave. Jesus revolutionized the lives of those who followed Him. And He's still doing it today. Each of the forty devotions in The Chosen contains a Scripture, a unique look into a Gospel story, suggestions for prayer, and questions that lead you further in your relationship with Christ. See Jesus through the eyes of those who knew him best, and explore the backstories of people like Mary Magdalene, Peter, Matthew, Nicodemus, and more. It's hard to relate to the sinless Son of God, but we can all identify with the sinners. You too can be transformed: Jesus sees past your "before" to the person He is creating you to be.
