Synopsis. "Intercultural Communication, Fourth Edition" provides students with a clear model for examining communication within cultural, micro-cultural, environmental, socio-relational, and perceptual contexts. Each chapter focuses on one context and the combination of factors included within that context - setting, situation, and circumstances. The text also highlights influences such as values, ethnicity, physical geography and attitudes, and then examines certain means of interaction, ...

context transactions recognize the nonverbal environment, they tend to focus more on the verbal context. Moreover, the rules and expectations are explicitly outlined. Users of elaborated codes are dependent on words to convey meaning and may become uncomfortable with silence. In low- context transactions, the communicants feel a need to speak.
