Deborah Bladon is my newest favourite author, and definitely one to watch. Her book is sensual and steamy, and her character's are so real. I couldn't help but getting completely absorbed by Ivy's story, the way she felt as her relationship with Jax complicated and developed. Deborah makes you feel like you're there. I inhaled this book wayyyyy faster than I wanted to because I just couldn't ...

SIN, a hot new standalone from New York Times, USA Today and Wall Street Journal bestselling author, Deborah Bladon. West. That's what he said his name was when I met him on the flight from New York City to Las Vegas. I was on my way to sin city for a bachelorette party. West had business there. He was wickedly handsome, demanding, and the intensity in his eyes melted me from the inside out. I left his hotel suite before he woke up because a one-night stand is just that. It's one night of pleasure that doesn't seep into the next day. At least that's what it's supposed to be if it doesn't go completely wrong. I didn't give him my real name. We never exchanged numbers. West didn't need any of that to find me. All he had to do was look across a conference table in Manhattan two months later. Out of all the advertising agencies in the city, Jeremy Weston chooses the one my father owns to work on the campaign for the launch of his company's latest product. I try to pretend I'm not the woman he spent a night with in Las Vegas, but my body betrays me. Not everything that happens in Vegas stays there. The sin of my past proves that. Author's Note: Although some characters from my previous books appear in SIN, you don't have to read any of my other books to enjoy this swoon-worthy romance!
