When Tinder launched in 2012, it revolutionized online dating with a simple innovation: swipe right for yes, swipe left for no. Soon after a number of companies spawned clones attempting to copy Tinder's formula and replicate its success. On the surface, this book is a how-to guide to Tinder and other swipe dating apps. On a deeper level, it's a guide on how to be more expressive, open, and authentic in your communication both online and off. The author combines his personal dating experiences as well as his knowledge of improvisational theater, stand-up comedy, and working in sales to provide readers with a clear model to follow for more successful (and fun) dates.
