With dozens of beautiful, original designs and detailed explanations, this Chinese paper cutting book is a great reference for beginners. Paper cutting is a popular papercraft in today's multicultural world, embracing a great variety of themes, designs and images. In China, its birthplace, it is regarded as an elegant traditional folk art. Chinese paper cuts reflect many aspects of life, including prosperity, health and the harvest. Paper cuts are typically used to decorate walls, windows and doors, or as patterns for embroidery and lacquer work. Rich in cultural tradition, with a long history of over 1,500 years, Chinese paper cutting was listed as a UNESCO Intangible Cultural Heritage in 2009. Easy to learn, paper cutting only requires paper and scissors which can be used to create a wide range of interesting paper cut outs. Instruction and inspiration can be found in The Beginner's Guide to Chinese Paper Cutting. This Chinese crafts book introduces all the basic elements of Chinese paper cutting, including the necessary preparation, basic techniques, simple practices and appreciation. The book's clear directions and illustrations will allow anyone to explore the art of paper cutting and start making their own works of art.

An ancient art with a contemporary edge. Treat yourself to an inspiring adventure that begins the moment you open Creative Paper Cutting by artist Cheong-ah Hwang. You'll find yourself immersed in the fantastical world of paper cutting: the delicate craft of creating original, intricate artworks by folding, layering, and snipping beautifully textured papers into amazing designs. 15 projects to capture your imagination. This exquisite book offers everything you need to become thoroughly inspired and utterly proficient in this popular craft. It will tempt you with 15 irresistible projects created by one of today's outstanding paper sculptors. Here's your chance to create intricate art that can adorn walls, serve as greeting cards, or be showcased in a number of innovative ways. Advice from a self-taught paper sculptor. Drawing on her considerable experience, Cheong-ah guides you through each project with her straightforward, friendly approach, aided by step-by-step instructions and easy-to-follow photographs. Comprehensive in scope, Creative Paper Cutting includes full details on all the essentials: tools, materials, and techniques for cutting and sculpting along with methods for displaying your paper-cutting art. Cut loose and enjoy the delightful art of paper cutting! With simple tools, a few sheets of beautiful paper, and this how-to book you can learn this beautiful art form that dates back centuries, but fits beautifully into contemporary life.

A full-color introduction to a range of paper-cutting techniques also includes a variety of projects, such as cards, gift wrap, mobiles, collages, stencils, garlands and many more. Original.

Papercutting is an ancient, elegant art that dates almost as far back as the creation of paper itself. In today's multicultural world, papercutting embraces any number of themes, designs, and images. It is an all-inclusive art that requires few tools and minimal materials. All one needs is instruction and inspiration, both of which are found in good measure in The Art of Papercutting. The book includes more than 20 projects that feature a range of sizes, subject matters, and techniques. Every project features step-by-step photographs and numerous helpful hints.

Everything beginners need to learn the craft, including tools, step-by-step instructions, and finishing tips.

Briefly discusses the history of paper cutting and traditional styles from different countries, describes basic techniques, and includes patterns and instructions for paper cutting projects
