Paralegal Procedures and Practices: Hatch, Scott, Hatch ...

~~A paralegal is the professional of legal science that performs procedures autonomously or semi autonomously, as part of a legal assistance system. Performs tasks that require understanding of the legislation for its proper execution. They also work in support or assist professionals related to the legal area of a consultative or judicial litigation nature. Its labor market is broad, including consultancies, companies that have legal departments or that perform legislation compliance activities~~
