human, and one of the best ways of achieving this is through authentic employee advocacy. Participation Marketing takes a detailed look at the benefits that arise when employees are fully subscribed to a brand's ethos, and how this can be used to magnify a brand's voice. After all, it's likely that every individual employee of a company now has several hundred unique social media connections, if not more.

~~Participation Marketing – Kogan Page~~
It's not about training your employees to parrot your company's message. It's about building passion around your company's brand and its purpose - and shaping your company's culture such that it empowers your employees to advocate.
