Pastured Poultry Profits: Joel Salatin - Free Download—
on February 25, 2017. How to raise pastured poultry for profit Raising pastured poultry can be very profitable by following high production standards, finding the right customer and telling the right story " It ' s not about cost, it ' s not about price to [customers]. It ' s about quality and the story you tell that adds value to that bird.

How to raise pastured poultry for profit | WATTAgNet
Pastured poultry operations should " net much more per bird than in a conventional poultry system. " With little sanitation problems on pasture, there is no need for antibiotics and little loss from illness. Forages provide the birds with much of their nutritional needs, and there are very minimal startup costs, according to Spencer.

Pasturing poultry for profits—Country Folks
SARE-funded researchers at Wisconsin ' s CIAS studied five farms that raise poultry on pasture and found that the systems, while highly variable, yielded a significant profit for growers who incorporate poultry into diversified farms... CIAS researcher Stevenson said that in the beginning, people make it work best at lower numbers, around 1,000 birds per season.
