Intersecting Oppressions | City, University of London
In Intersectionality as Critical Social Theory Patricia Hill Collins offers a set of analytical tools for those wishing to develop intersectionality's capability to theorize social inequality in ways that would facilitate social change. While intersectionality helps shed light on contemporary social issues, Collins notes that it has yet to reach its full potential as a critical social theory.

Duke University Press - Intersectionality as Critical ...
According to Patricia Hill Collins the matrix of domination is “the form assumed by intersecting oppressions in one social location... and can be seen as a historically specific organization of power in which social groups are embedded and which they aim to influence”7.

What is Intersectionality?
The three dimensions of oppression that are discussed by Patricia Hill Collins are individual, institutional and symbolic. The individual is being capable of being oppressed and of oppressing others. An example of individual oppression is when a White Bank employer does not hire an African American because of his race.

How is Race, Class and Gender Interconnected In ...
The Intersectional Approach. Sociologist Patricia Hill Collins developed and explained the concept of intersectionality in her groundbreaking book, Black Feminist Thought: Knowledge, Consciousness, and the Politics of Empowerment, published in 1990. Today intersectionality is a mainstay concept of critical race studies, feminist studies, queer studies, the sociology of globalization, and a critical sociological approach, generally speaking.

Intersectionality - Definition and Discussion
Patricia Hill Collins is an American academic specializing in race, class, and gender. She is a Distinguished University Professor of Sociology at the University of Maryland, College Park. She is also the former head of the Department of African-American Studies at the University of Cincinnati, and a past President of the American Sociological Association. Collins was the 100th president of the ASA and the first African-American woman to hold this position. Collins's work primarily concerns issu
