~~A tale by the creator of SurvivalBlog.com imagines a world in which a cataclysmic financial crisis prompts a total collapse of American society and forces people to fend for themselves, in a story that follows a group of protagonists who make their way to a shared secure ranch in northern Idaho, where they struggle to survive against violent looting and natural hazards. Original.~~

~~Take the initiative and be ready to survive! Could you survive the end of the world as we know it? The Ultimate Prepper's Survival Guide will set you on the path to learning all the skills you will need to survive full societal collapse. We live in precarious times, and sensible people all around the world are recognizing that preparedness could mean the difference between life and death. Author John Wesley, Rawles-one of the world's leading survivalist experts-explains how to survive in the short term as society begins to collapse, and how to thrive in the long term. Practical, easy-to-follow instructions are included to instruct you on the preparations you can make today, as well as advice on the mental and emotional resilience required to help you not just cope but prosper in the new world.~~

~~Don't panic! Here are the essential techniques you need to cope with a short-term survival situation.~~

~~REVOLT ON A FRONTIER PLANET The corrupt Earth government is sending an army to Greenwood to remove the pioneers who discovered and settled the planet: the potential profits are too great to leave the world to scraggly ne'er-do-wells! Though the rugged individualists of Greenwood may be fractious and disinclined to agree on most things, the greedy politicians of Earth will learn a harsh lesson if they think the settlers won't join together to save their livelihoods and homes! Under Yerby Bannock, who never walked away from a drink or a fight, the Greenwood patriots will face thugs in the night, lawyers in a distant court, traitors in their own ranks! And, if they have to, a fortress built to shrug off the assault of a battlefleet! At the publisher's request, this title is sold without DRM (Digital Rights Management).~~

~~America faces a full-scale socioeconomic collapse-the stock market plummets, hyperinflation cripples commerce and the mounting crisis passes the tipping point. Practically overnight, the fragile chains of supply and high-technology infrastructure fall, and wholesale rioting and looting grip every major city. As hordes of refugees and looters pour out of the cities, a small group of friends living in the Midwest desperately tries to make their way to a safe-haven ranch in northern Idaho. The journey requires all their skill and training since communication, commerce, transportation and law enforcement have all disappeared. Once at the ranch, the group fends off vicious attacks from outsiders and then looks to join other groups that are trying to restore true Constitutional law to the country. Patriots is a thrilling narrative depicting fictional characters using authentic survivalist techniques to endure the collapse of the American civilization. Reading this compelling, fast-paced novel could one day mean the difference between life and death.~~

~~Read James Wesley, Rawles's posts on the Penguin Blog In the vein of Sam Sheridan's The Disaster Diaries, a comprehensive guide to preparing for the apocalypse! With the recent economic crisis, formerly unimaginable scenarios have become terrifyingly real possibilities- learn how to prepare for the worst Global financial collapse, a terrorist attack, a natural catastrophe-all it takes is one event to disrupt our way of life. We could find ourselves facing myriad serious problems from massive unemployment to a food shortage to an infrastructure failure that cuts off our power or water supply. If something terrible happens, we won't be able to rely on the government or our communities. We'll have to take care of ourselves. In How to Survive the End of the World as We Know It, James Rawles, founder of SurvivalBlog.com, clearly explains everything you need to know to protect yourself and your family in the event of a disaster-from radical currency devaluation to a nuclear threat to a hurricane. Rawles shares essential tactics and techniques for surviving completely on your own, including how much food is enough, how to filter rainwater, how to protect your money, which seeds to buy for your garden, why goats are a smart choice for livestock, and how to secure your home. It's the ultimate guide to total preparedness and self-reliance in a time of need.~~

~~If you're looking for information on how to prepare for a short term natural disaster, this is not the book for you. Bestselling author, Jonathan Hollerman, will present evidence that America as we know it could be destroyed in the near future from the loss of America's electric grid or other societal collapse scenarios. Many preparedness "experts" severely underestimate the threat posed by millions of starving, desperate people. This preparedness guide will help you develop a plan to escape the deadly rioting and looting, showing you where you can take your family to keep them safe, even if you can't afford a fully- stocked survival retreat. Hollerman's in-depth expertise and recommendations will cover Bug Out Bags, SHTF Weapons, Tactical Gear, Survival Tools, Knives, Long Term Food Storage, Livestock, Bug Out Locations, Survival Retreat Recommendations, and much more...~~

~~The United States has been attacked by an electromagnetic pulse and the populace has been thrown off the electric grid. Chaos and incivility ensue as it becomes clear the government can't control, protect, or even feed the masses. Some were prepared for this event but they must stand against those who are panicking, attacking, and trying to bring down the survivors.~~

~~"Throughout her career, astrophysicist Janna Levin has focused, alongside her research, on making the science she studies not just accessible, but, perhaps more important, intriguing to the nonscientist. And that is what she has done again here, helping us to understand the black hole: perhaps the most opaque theoretical construct ever imagined by physicists. She explains how their existence came to be proven decades after they were first predicted in Einstein's 1915 general theory of relativity. And she explores the ways in which what we know about them has changed our most basic understanding of the galaxy, the universe, the whole expanse of reality that we inhabit."--Publisher's description.~~

~~Follows a group of people struggling in the face of a full-scale socioeconomic collapse in America that has caused the breakdown of all technology and supply chains while unleashing riots and predatory gangs throughout the country.~~
