## PCEP Journal

Person-Centered Psychotherapies, by David Cain, is an essential primer on client-centered non-directive therapy. Building on the extensive body of work contributed by Carl Rogers, Cain explicates the necessary and sufficient conditions for therapeutic personality change in layman's language and illustrates their applications through brief therapy session examples.

## Person-Centered Psychotherapies (Theories of Psychotherapy ...

Practitioners such as Margaret Warner, Gary Prouty and, more recently, Kirshen Rundle have developed person-centred theory to describe phenomena and processes in a way that respects the individual. This understanding – for example of fragile process, dissociative process and pre-therapy – can enable practitioners to work with extremes of distress and disturbance.
