Balancing skills and theory, Principles of Public Speaking emphasizes orality, Internet technology, and critical thinking as it encourages the reader to

see public speaking as a way to build community in today's diverse world. Within a framework that emphasizes speaker responsibility, critical thinking and listening, and cultural awareness, this classic book uses examples from college, workplace, political, and social communication to make the study of public speaking relevant, contemporary, and exciting. This brief but comprehensive book also offers the reader the latest in using technology in speechmaking, featuring a unique and exciting integrated text and technology learning system.

Working in partnership with National Geographic, INVITATION TO HUMAN COMMUNICATION, 2e acknowledges the complexity of today's workplace, the power of communication, and the importance of equipping readers with the foundational skills for success in this ever-changing environment. A leader in teaching foundational communication theories and skills, the text helps readers recognize the importance and centrality of communication in their professional and personal lives. Each chapter includes case studies and tips from nationally recognized explorers, scientists, researchers, and activists. The text showcases the best of communication theories and practices as well as explores how communication is central to carrying out work, developing professional and personal relationships with others, and sharing ideas with the larger public. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

The first text designed specifically to introduce debate to new English language speakers. Written in clear, easily accessible prose, it presents the basics of debate while avoiding the complexity and excessive cultural references that make standard texts difficult for this audience to use. Each chapter includes a list of the important concepts and key vocabulary terms as well as exercises that will help students master the skill discussed. All definitions are listed in a glossary.

Completely integrated with NEW online tools that actively prepare students to create effective speeches and NEW brief in-text speech elements that address the way today's students learn, the 15th edition of THE CHALLENGE OF EFFECTIVE SPEAKING is a valuable teaching partner for your course. Pioneers in skills-based public speaking instruction, Verderber and Verderber have perfected their book's Speech Planning Action Steps, which resourcefully guide students through speech creation as they progress through six Action Steps--topic selection, audience analysis and adaptation, effective research, organization, visual aids, and language and delivery. The Verderbers, together with new coauthor Deanna D. Sellnow, have enhanced this nationwide best seller in many ways. The authors give your students an exceptional foundation for creating and delivering their speeches, including the latest research, numerous in-text activities, more techniques to help them address anxiety and ethical issues that speakers face, new critical-thinking and reflection prompts that help students think logically about the speech-making process, and much more. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

4LTR Press solutions give students the option to choose the format that best suits their learning preferences. This option is perfect for those students who focus on the textbook as their main course resource. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research and organization, practice and delivery, to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course, but also for any setting across the curriculum, on the job, or in the community. This newly redesigned full-color edition offers even stronger coverage of the fundamentals of speechmaking, while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software, and a streamlined chapter on research in print and online.

Now in its 14th edition, this ground-breaking, market-leading fundamentals of human communication text helps readers improve their communication competency by becoming proficient in using theory and research-grounded communication skills. Praised for its clear and concise writing style, this new edition includes increased coverage of how technology and social media are changing communication practices and offers guidelines for best practice. Lively contemporary examples and sample speeches ground theory, increase comprehension, and help readers become skillful communicators. COMMUNICATE! engages students in active learning through theory, application and skill-building exercises including speech action step activities that guide students through the speech preparation process. The role of ethics in communication is integrated throughout the text, and students can also apply ethical principles to case situations. **Important Notice:** Media content referenced within the product description or the product text may not be available in the ebook version.

Packed with sample speeches illustrating what to do as well as plenty of examples detailing what not to do, this value-priced public speaking text equips students with the essential skills and theories needed to become an effective public speaker. ESSENTIALS OF PUBLIC SPEAKING emphasizes critical thinking as it delivers abundant practical advice, intriguing discussions on the role of ethics in public speaking, and up-to-date coverage on effectively using technology in speech development and delivery. The sixth edition features a new streamlined organization, a revised initial chapter that gets students speaking right away with 11 types of introductory speeches, and two new chapters (one on ethics and technology in public speaking and another on team presentations). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
