The NIOSH Pocket Guide to Chemical Hazards (NPG) informs workers, employers, and occupational health professionals about workplace chemicals and their hazards. The NPG gives general industrial hygiene information for hundreds of chemicals/classes. The NPG clearly presents key data for chemicals or substance groupings (such as cyanides, fluorides, manganese compounds) that are found in workplaces.

*Pocket Guide to Chemical Hazards | NIOSH | CDC*

This is a BLACK & WHITE copy, a non-official reprint of the PDF NIOSH Pocket Guide to Chemical Hazards. This would be a better copy if it were cut to fit, or enlarged to fit... It does not look like a professional print, it definitely looks like a private reprint. I also would have liked it printed in color since the greyscale of blue kinda sucks.
