An election is a war and "to the victor belongs the spoils." As I learned so well, that's the real democratic process. After all, you'll never see a victorious politician tell his supporters, "I want to thank all of you who worked so hard for my election. However, in the interest of good government, I've decided to give all the jobs to those people who voted against me." My name is Buddy Cianci. I spent almost three decades as mayor of Providence...before leaving for an enforced vacation in a federally funded gated community. When I first took office, Providence was a dying industrial city, and I helped turn it into one of the most desirable places to live in America. I did it by playing the game of hardball politics as well as it has ever been played. My favorite Frank Sinatra lyric is "I did it my way," because that's the only way a mayor can run a city. As I used to tell my staff, "When you spend your weekends kissing elderly women with mustaches, you can make the decisions." If you want to know the truth about how politics is played, you picked the right book. This is the behind-the-locked-door story of how politics in America really works. It's take me a lifetime of successes and failures to write it. It's all in these pages. I have been called many things in my career: I've been "America's Most Innovative Mayor," a "colorful character," and a convicted felon. But no one has ever called me shy.

The story behind the podcast Crimetown, as told by the notorious Buddy Cianci himself. An election is a war and "to the victor belongs the spoils." That's the real democratic process. After all, you'll never see a victorious politician tell his supporters, "I want to thank all of you who worked so hard for my election. However, in the interest of good government, I've decided to give all the jobs to those people who voted against me." This belief became Buddy Cianci's mantra. Following his own rules, Cianci spent almost three decades as mayor of Providence, RI... before leaving for an enforced vacation in a federally funded gated community. Providence was a dying industrial city when he first took office, but he helped turn it into one of the most desirable places to live in America. He did it by playing the game of hardball politics as well as it has ever been played. Living up to his favorite Sinatra lyric "I did it my way"--because that's the only way a mayor can run a city. If you want to know the truth about how politics is played, you picked the right book. This is the behind-the-locked-door story of how politics in America really works. Here is a man who has been called many things: "America's Most Innovative Mayor," a "colorful character," and a convicted felon. But no one has ever called him shy. Here, he serves it all up.

The senator from New York recounts his journey from obscurity to the U.S. Congress and discusses attacks on his ethics, health care, and other issues

A superbly original version of liberalism by a major figure in political theory. In this provocative work, Richard E. Flathman puts forward his idiosyncratic view of liberalism, one that is particularly concerned with putting freedom and individuality first, one that warns of the individualism-limiting potential of even liberal efforts to promote social justice. Focusing on the ideals he regards as appropriate to liberalism, Flathman analyzes repeated patterns and tendencies that influence societies -- their sustaining institutions. Part I (Ideals) elaborates and vigorously promotes a conception of the ideals appropriate to liberalism and liberal politics, a conception that foregrounds and celebrates individual self-making or self-enactment. Drawing on but critically assessing ideas and arguments from liberal thinkers from Locke and Kant through Mill, Berlin, and Rawls, the work also reaches out to sources usually regarded as not only outside of but actually antagonistic to liberal tradition: Hobbes, Nietzsche, William James, Prout, Ortega y Gasset, and Oakeshott. Part II (Institutions) goes on to critically examine the relationship between these ideals and various institutions that are prominent in all liberal societies -- the rule of law, police power, and institutionalized education. At once attracted and resistant to anarchist, antinomian, and active nihilist arguments, Flathman approaches these institutions in a skeptical and wary spirit influenced by such thinkers as Montaigne, Wittgenstein, Cavell, Derrida, and Foucault. Reflections of a Would-Be Anarchist is a unique attempt to move liberal thought and action toward individuality and away from homogeneity, toward achastening skepticism and away from unifying conceptions of rationality and reasonableness. It will be required reading for political, moral, and legal theorists, as well as anyone concerned with the challenges of sustaining and enlivening liberal thought and action.

The history of Italy since the mid-1950s retold through the lens of food television. In this dynamic interdisciplinary study at the intersection of food studies, media studies, and politics, Francesco Buscemi explores the central role of food in Italian culture through a political history of Italian food on national television. A highly original work of political history, the book tells the story of Italian food television from a political point of view: from the pioneering shows developed under strict Catholic control in the 1950s and 1960s to the left-wing political twists of the 1970s, the conservative riflusso or resurgence of the 1980s, through the disputed Berlusconi era, and into the contemporary rise of the celebrity chef. Through this lively and engaging work, we learn that cooking spaghetti in a TV studio is a political act, and by watching it, we become citizens.

Celebrating pasta in all its glorious forms, author Domenica Marchetti draws from her Italian heritage to share 100 classic and modern recipes. Step-by-step instructions for making fresh pasta offer plenty of variations on the classic egg pasta, while a glossary of pasta shapes, a source list for unusual ingredients, and a handy guide for stocking the pantry with pasta essentials encourage the home cook to look beyond simple spaghetti. No matter how you sauce it, The Glorious Pasta of Italy is sure to have pasta lovers everywhere salivating.

A food writer travels the Silk Road, immersing herself in a moveable feast of foods and cultures and discovering some surprising truths about commitment, independence, and love. As a newlywed traveling in Italy, Jen Lin-Liu was struck by culinary echoes of the delicacies she ate and cooked back in China, where she'd lived for more than a decade. Who really invented the noodle? she wondered, like many before her. But also: How had food and culture moved along the Silk Road, the ancient trade route linking Asia to Europe--and what could still be felt of those long-ago migrations? With her new husband's blessing, she set out to discover the connections, both historical and personal, eating a path through western China and on into Central Asia, Iran, Turkey, and across the Mediterranean. The journey takes Lin-Liu into the private kitchens where the headcarvers come off and women not only knead and simmer but also confess and confide. The thin rounds of dough stuffed with meat that are dumplings in Beijing evolve into manti in Turkey--their tiny size the measure of a bride's worth--and end as tortellini in Italy. And as she stirs and samples, listening to the women talk about their lives and longings, Lin-Liu gains a new appreciation of her own marriage, learning to savor the sweetness of love freely chosen.

The pasta ninja and Instagram star Linda Miller Nicholson delivers her first cookbook, a stunning cornucopia of pasta in every color and shape, all created by hand using all-natural colors from vegetables, herbs, and superfoods--and including 25 dough recipes, 33 traditional and modern shaping techniques, and the perfect fillings and sauces to make your creations sing! Linda Miller Nicholson began making pasta at age four, but started adding color to it several years ago to entice her son to eat more vegetables. Her creations became a viral sensation, attracting fans worldwide who are mesmerized by her colorful and flavorful designs. Now, with Pasta, Pretty Please home cooks can create dreamy, dazzling pastas in their own kitchens using only all-natural ingredients--flour, eggs, vegetables, herbs, and superfoods--that are true works of art. Playful and inviting, Pasta, Pretty Please includes recipes, techniques, tips, and inspiration. Linda starts with recipes for basic doughs--standard egg dough, various gnocchi doughs--and works her way up to recipes for dough in many colorful shades. She teaches you just how many colors are pastable and what kinds of pigmented vegetables, fruits, and spices you can use to color your pasta--such as mixing turmeric with parsley for just the right shade of chartreuse, or using activated charcoal powder to create black pasta. She also shows you how to roll out dough, cut and form many pasta shapes, and gives tips for retaining brilliant colors even when cooked. Once you've mastered the basics, you'll find recipes for more elaborate patterns and colors that are sure to impress your family and friends. Linda reveals how to layer colors to make multi-colored doughs in recipes including: Rainbow Cavatelli Polka Dot Farfalle Emoji Ravioli Avocado Gnocchi Hearts and Stripes Pappardelle Argyle Lasagna Sheets 6-Colored Fettuccine You'll also find recipes for spectacular sauces and fillings, such as: Golden Milk Ragù Pecorino Pepper Sauce with Broccolini Roasted Tomatoes with Basil Oil and Burrata Spiced Lamb Yogurt Sauce Rustic Squash Filling Classic Ricotta Filling Pepperoni Pizza Filling Featuring beautiful pasta in a rainbow of colors and a variety of shapes, patterns, and sizes, Pasta, Pretty Please is an artistic treasure trove that will please the eye and the palate. Buon Appetito!

COP: "Buddy, I think this is a whorehouse." BUDDY CIANCI: "Now I know why they made you a detective." Welcome to Providence, Rhode Island, where corruption is entertainment and Mayor Buddy Cianci presided over the longest-running lounge act in American politics. In the Prince of Providence, Pulitzer Prize-winning journalist Mike Stanton tells a classic story of wiseguys, feds, and politicians on a carousel of crime and redemption. Buddy Cianci was part urban visionary, part Tony Soprano--a flawed political genius in the mold of Huey Long and James Michael Curley. His lust for power cost him his marriage, his family, and close friendships. Yet he also revitalized the city of Providence, where ethnic factions jostle with old-moneyed New Englanders and black-clad artists from the Rhode Island School of Design rub shoulders with scam artists from City Hall. For nearly a quarter of a century, Cianci dominated this uneasy melting pot. During his first administration, twenty-two political insiders were convicted of corruption. In 1984, Cianci resigned after pleading guilty to felony assault, for torturing a man he suspected of sleeping with his estranged wife. In 1990, in a remarkable comeback, Cianci was elected mayor once again; he went on to win national acclaim for transforming a dying industrial city into a trendy arts and tourism mecca. But in 2001, a federal corruption probe dubbed Operation Plunder Dome threatened to bring the curtain down on Cianci once and for all. Mike Stanton takes readers on a remarkable journey through the underside of city life, into the bizarre world of the mayor and his supporting cast, including: • "Buckles" Mellie, the city official in charge of vermin control, who bought Providence twice as much rat poison as the city of Cleveland, which was at the time four times as large, and wound up increasing Providence's rat population. During a garbage strike, Buckles sledgehammered one city employee and stuck his thumb in another's eye. Cianci would later describe this as "great public policy." • Anthony "the Saint" St. Laurent, a major Rhode Island bookmaker and loan shark, who tried to avoid prison by citing his medical need for forty bowel irrigations a day, thus earning himself the nickname "Public Enema Number One." • Dennis Aiken, a celebrated FBI agent and public corruption expert, who asked to be sent to "the Louisiana of the North," where he enlisted an undercover businessman to expose the corrupt secrets of Cianci's City Hall. The Prince of Providence is a colorful and engrossing account of one of the most tragicomic figures in modern American life--and the city he transformed.

An elevated guide to the craft of pasta-making by rising star chef Thomas McNaughton of San Francisco's hottest Italian restaurant, flour + water. Chef Thomas McNaughton shares his time-tested secrets to creating simple, delicious, and beautiful artisan pasta--from the best fresh doughs to shaping and cooking every type of pasta. A true celebration of Italy's pasta traditions, flour + water includes fifty seasonally influenced recipes for home cooks of every skill level. The recipes cover the flavor spectrum from well-loved classics to inventive combinations, such as Tagliatelle Bolognese; Pumpkin Tortelloni with Sage and Pumpkin Seeds; Tomato Farfalle with Chicken Polpettine, Roasted Peppers, and Basil; and Asparagus Caramelle with Brown Butter. With guidance from McNaughton and the secrets of flour + water's dough room, anyone can learn to make amazing pasta at home.
