This collection of short fiction expands on the world of a groundbreaking achievement in storytelling: Rockstar Games' interactive crime thriller L.A. Noire. 1940s Hollywood, murder, deception and mystery take center stage as readers reintroduce themselves to characters seen in L.A. Noire. Explore the lives of actresses desperate for the Hollywood spotlight; heroes turned defeated men; and classic Noir villains. Readers will come across not only familiar faces, but familiar cases from the game that take on a new spin to tell the tales of emotionally torn protagonists, depraved schemers and their ill-fated victims. With original short fiction by Megan Abbott, Lawrence Block, Joe Lansdale, Joyce Carol Oates, Francine Prose, Jonathan Santlofer, Duane Swierczynski and Andrew Vachss, L.A. Noire: The Collected Stories breathes new life into a time-honored American tradition, in an exciting anthology that will appeal to fans of suspense and gamers everywhere.

Incontestably, Future Narratives are most conspicuous in video games: they combine narrative with the major element of all games: agency. The persons who perceive these narratives are not simply readers or spectators but active agents with a range of choices at their disposal that will influence the very narrative they are experiencing: they are players. The narratives thus created are realizations of the
