## ~~RAF SIMONS — RAF SIMONS ARCHIVE REDUX~~

In the the introduction to his fashion tome, Raf Simons Redux —no doubt the inspiration for the name of the capsule—Simons explains his work and label is not about himself, but rather “ has always been, and will always continue to be, about us, about we, about you. ”

## ~~Raf Simons Archive Redux Review: A Mistake or Masterpiece ...~~

Raf Simons ' Archive Redux is a reissue of 100 pieces from the Raf Simons Archives, as 2020 marks the brand ' s 25th anniversary. In this reissue, the focus is recreating defining moments from the house, that are still deemed instinctively relevant today. There is no system or hierarchy to the garments chosen, they are simply creative decisions.

## ~~Raf Simons Redux | Office Magazine~~

The Raf Simons Archive Redux collection will be available from selected retailers in December 2020. The brand has also confirmed that it will present an SS21 collection later this year, as its...

## ~~Raf Simons Reissues 100 Archival Runway Pieces | HYPEBEAST~~

October 2000, Raf Simons is appointed head professor of the Fashion Department of the University of Applied Arts, Vienna, Austria until June 2005. Presents ' Raf Simons Redux ' , a book by Peter De Potter and Raf Simons (published by Charta/Fondazione Pitti Discovery) coinciding with his label's 10th anniversary.

## ~~RAF SIMONS — About~~

Raf Jan Simons (Dutch pronunciation: [r f sim ns]; born 12 January 1968) is a Belgian fashion designer. Beginning in furniture design, Simons launched his own menswear label in 1995. He was creative director at Jil Sander (2005-2012), Christian Dior (2012-2015) and Calvin Klein (2016-2018).

## Where To Download Raf Simons Redux

New Jersey Governor Chris Christie has become a national Republican Party figure, famous for his blunt public statements, his willingness to confront powerful special interests, and his determination to change the ingrown, corrupt, backroom political culture of New Jersey. In just two years as governor, Christie has moved aggressively to reduce the state's ballooning deficit, rein in lucrative entitlements for teacher, police, fire, and public employee unions, cut out-of-control government spending, and create jobs by reducing counterproductive business regulations. But beneath Christie's combative public persona is an intensely loyal family man, whose deep roots in New Jersey shape his core values. Written by New York Times bestselling author Bob Ingle and fellow journalist Michael Symons, who have covered the governor's political career for more than a decade, *Chris Christie: The Inside Story of His Rise to Power* offers the first inside portrait of this fascinating man. Drawing on interviews with Christie himself, his wife, Mary Pat, his brother, Todd, his father, Bill, his uncle Joe, and many longtime supporters as well as political opponents, Ingle and Symons trace Christie's life. He grew up in New Jersey, surrounded by a big, roiling Italian-American family where his mother, Sondra, and grandmother Anne were powerful influences. Surprisingly, his political career nearly ended after a bruising loss in a local county campaign, but was revived when Christie was appointed United States Attorney for New Jersey. He soon became a feared prosecutor, and culminated an impressive string of successful cases with a multi-year investigation that resulted in the arrests of more than forty people, in one of the state's most notorious examples of political corruption. Despite calls to run for president, Christie reiterated his commitment to reforming New Jersey. *Chris Christie: The Inside Story of His Rise to Power* goes behind the scenes to reveal his family life, his public life, and what the future might hold.

Omnivorous and indefatigable, suggestible but independent, adolescents don't want to be balanced. They love extremes of everything from fashion and art to music and the Internet. Observed and studied by experts of all kinds, their behavior monitored by psychologists, educators, and marketing executives, adolescents represent a decisive and increasingly valuable segment of the buying public. They adore and consume trendy clothes and brand-new bands; they must be cool regardless of the cost. And adults turn to them more and more for clues on how to remain forever young and hip. *The Fourth Sexturns* a critical, illustrated spotlight on adolescence, a territory of transition crisscrossed by the most varied creative energies. A series of iconographic materials begins in the 1960s and moves up to the present, revealing clothes, behavior patterns, novels, and visual artworks created or inspired by the transnational tribe that are teenagers. Excerpted authors include David Foster Wallace, Arata Isozaki, Philip Roth, William Golding, J.G. Ballard, Beavis & Buttthead, Jim Carroll, Stephen King, Vladimir Nabokov, Douglas Coupland, Dick Hebdige, Bret Easton Ellis, and Dave Eggers. Represented artists include Vanessa Beecroft, Raymond Pettibon, Mike Kelley, Elizabeth Peyton, Karen Kilimnik, Charles Ray, Takashi Murakami, Larry Clark, Rineke Dijkstra, Paul McCarthy, Richard Prince, Gilbert & George, Gavin Turk, and Richard Billingham. And modeled fashion and lifestyle designers include Malcolm MacLaren, Paco Rabanne, Benetton, Veronique Branquinho, Comme des Garçons, Stussy, Coca-Cola, PlayStation, Diesel, Katherine Hamnett, and David Sims. The book's shifting, politically incorrect graphic style gives form and color to all the contradictions and ambiguities of an unhappy age that we never cease to remember with nostalgia and the occasional twinge of pain. Published in association with Fondazione Pitti Immagine Discovery.

Poetic, elegant, and free-thinking, Raf Simons is one of the most exciting designers working in fashion today. His passion for music, art, and contemporary culture infiltrates everything he does. A former industrial designer, Simons first burst on to the scene in 1995 with the launch of his menswear label. His trademark slim tailoring and penchant for street-casting his models went on to shape an entire generation and cemented his position as one of the most revolutionary contemporary menswear designers. In this stunning large format book, *i-D* celebrates Raf Simons' own menswear label, his work for Jil Sander, and his new

appointment of Dior.

GET DIRTY! Next time you ' re traveling or just chattin ' in Spanish with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including:

- cool slang
- funny insults
- explicit sex terms
- raw swear words

Dirty Spanish teaches the casual expressions heard every day on the streets of Spain and Latin America:

- What ' s up? ¿ Qu é tal?
- I ' m shitfaced. Estoy mamado.
- Check out all the hotties! ¡ M í rale las bomboncitas!
- Will you suck me off? ¿ Me lo chupar í as?
- I have the runs. Yo tengo un chorrillo.
- What a motherfucker! ¡ Qu é conchesuma!
- That forward is legit. Es ch é vere ese delantero.

From Jack the Ripper Stalks His Victims, his 1992 graduate collection, to Plato's Atlantis, the last show before his death in 2010, Lee Alexander McQueen was as celebrated for the exquisite tailoring, meticulous craftsmanship, and stunning originality of his designs as he was notorious for his theatrical—and often controversial—runway shows. McQueen found inspiration for his avant-garde collections everywhere: his Scottish ancestry, Alfred Hitchcock movies, Yoruba mythology, the destruction of the environment—even the fashion industry itself. Whatever his inspiration, however, McQueen ' s concept for his runway show came first and was crucial to the development of the collection. Every show had a narrative and was staged with his characteristic dramatic flair. Highland Rape featured disheveled models smeared with “ blood ” staggering down the runway in town clothes. In Scanners, two robots sprayed paint on a model trapped on a spinning platform. In Widows of Culloden, a hologram of supermodel Kate Moss held center stage. Other McQueen shows staged models walking through water, drifting snowflakes, rain, and wind tunnels; pole-dancing in garish makeup at a carnival, playing living pieces in a bizarre chess game, and performing with trained dancers in a Depression-era-style marathon. Illustrated throughout with stunning photography and liberally sprinkled with quotations from McQueen and those who knew him best, Alexander McQueen: Evolution is the story of the designer ' s thirty-five runway shows and the genius behind them.

Gucci by Gucci opens the fabled house's archives for the first time, bringing together - in the form of bags, clothes, accessories and a dazzling cache of documentary photographs - the history of the Florentine family-owned saddler that has imprinted its name on the fashion consciousness. Both a history of the company and a glorious visual exploration of its far-reaching influence, the book is a treat for the collector and the fan.

The Physics of Everyday Phenomena, Eighth Edition, introduces students to the basic concepts of physics using examples of common occurrences in everyday life. Intended for use in a one-semester or two-semester course in conceptual physics, this book is written in a narrative style, frequently using questions designed to draw the reader into a dialogue about the ideas of physics. This inclusive style allows the book to be used by anyone interested in exploring the nature of physics and explanations of everyday physical phenomena. Beginning students will benefit from the large number of student aids and the reduced math content. Professors will appreciate the organization of the material and the wealth of pedagogical tools.

Introduction by Martin Harrison.

"Portraits are one of the most profound things that one can do - to express who we through our material presence ..." Paul Graham

Essay by Wolfgang Tillmans.
