making money without putting in much effort into it. In fact, having a few well-chosen real estate investments in your portfolio could generate a high monthly income for decades with just a tiny bit of maintenance work. What this would mean is that YOU would earn money every month without having to actually have a day job. This is also known as passive income. In this book, we present seven very profitable ways that ANYONE can use to make money in real estate. These ways are all proven to work and can be pursued by the majority of the population (even if you're a bit lazy). Please note that we do not go in depth on all of the methods presented in this book. This book was created to give you useful investment ideas that you can actually pursue. Although real estate investments can provide a steady cash flow for decades, there's still a possibility that you can lose your hard-earned money if you're doing it wrong. The common mistake among new investors is that they think that they know it all. No matter what you put your money on, whether it's stocks, funds, cryptocurrencies, or properties, you need to know what you're doing or else you're going to fail. Investing without having a clue about what you're putting your money on is not even considered investing. That is known as gambling. What's in it for you when downloading this book today? Ways to Make Money in Real Estate Tips for Long-term Wealth Management How to Invest in Real Estate Rental Properties, Flipping Houses, Vacation Rentals, etc. Questions to Ask Yourself When Investing in Real Estate Much, much more!

Wealth creation has been around since the beginning of time. Strategies continue to evolve as the markets continue to change. Richard Garcia's experience is a true testimony of an adaptable wealth creation strategy. Between the crash of 2008, the longest bull market in history, and even the pandemic of 2020, Garcia's Fast Track Strategy has only benefited from continued growth. Learn more through his challenges, mistakes, successes, and most importantly, real experiences in this book.

Get the most out of property investment and secure your financial future 7 Steps to Wealth is the only real estate book in Australia endorsed by three of Australia's property billionaires. It shares John L. Fitzgerald's own 35-year proven property strategy, supported statistically and with real life case studies from readers of earlier editions. Now in its 8th edition the book is completely up-to-date with the latest census data, location criteria and growth forecasts. Most importantly the book exposes the difference between property and real estate, proving that it 's only the land that appreciates and that the buildings that sit on the land actually depreciate. Indeed 7 Steps to Wealth uses Warren Buffet 's secret of compound growth but adapted for Australian property investors. Fitzgerald proves that certain residential land is Australia's best growth asset — — and will continue to be given current record population growth. • Unlock the secret power of compound growth and make it work for you • Avoid the common mistakes that most property investors make • Read case studies and testimonials from millionaires using the 7 step strategies • Understand how to safely build wealth in property, be cashflow positive and still get a tax deduction. With Australia's record population growth, there is no better time for Australians to use this proven strategy to safely build wealth for a comfortable retirement, one that doesn 't mean relying on government welfare.

Most Real Estate Investing books tell you what to do but never really show you how to put it all together. Where do you begin? Which real estate investment is right for you? How do you finance your deals? How do you buy real estate with nothing down? Are you ready to be an investor? In "7 Steps To real Estate Riches" Jim Pellerin provides a step-by-step proven approach to Real Estate Investing. He has combined his years of real estate investing with his years of project and business management and created the AIMS Realty Investment Method. In this book, you will learn how to prepare yourself, both financially and mentally. You will also learn how to plan to become a real estate investor. Most people interested in becoming a real estate investor have read several books on the subject and have even attended some courses. Only a few of these people became investors because they were never really prepared and they never really planned. Once you have prepared and planned properly, the actual doing is easy, which is the focus of the second part of the book. "7 Steps to Real Estate Riches" is a must read for anyone who is just getting started in real estate investing and especially if you have been trying to become one for a long time.
