Rebel is the second book in Amy Tintera's amazing Reboot series. Rebel by Amy Tintera is the sequel to Reboot. The story is told from alternating POVs, Callum and Wren's. I liked how the story was told from two different POVs, but there's no clear distinction between the two. I felt like Wren And Callum didn't show enough their own personality. Callum didn't show enough of his personality and I really like Callum.

Amy Tintera has done it again, and she has managed to surpass REBOOT on so many levels! And that's hard to imagine, as much as I LOVEDDDDD REBOOT when I read it last year! I can happily say, REBEL has come out on top in the duology, and become one of my favorites for 2014! In REBEL we had so much growth in the main character Wren.

A Reboot ran past us and started talking excitedly to one of the guys in front. The reservation was laid out in a circle, with thin dirt paths snaking in between brown-and-tan tents. There were very few permanent structures in the compound, but sturdy tepee-style tents lined each side of the paths.

New York Times bestseller Amy Tintera's YA fantasy trilogy blends the romance of Kiera Cass's Selection series and the epic stakes of Victoria Aveyard's Red Queen in a story of revenge, adventure, and unexpected love. Emelina Flores has nothing. Her home in Ruina has been ravaged by war; her parents were killed and her sister was kidnapped. Even though Em is only a useless Ruined—completely lacking any magic—she is determined to get revenge. Her plan is simple: She will infiltrate the enemy's kingdom, posing as the crown prince's betrothed. She will lead an ambush. She will kill the king and everything he holds dear, including his son. The closer Em gets to the prince, though, the more she questions her mission. Her rage-filled heart begins to soften. But with her life—and her family—on the line, love could be Em's deadliest mistake.

In the final book in the New York Times bestselling Ruined series, the romance of The Selection and the epic stakes of Red Queen come together in a story of revenge, adventure, and unexpected love. Emelina Flores and her sister, Olivia, were determined to bring peace to the people of Ruina. But as the war for liberation raged on, what triumph and freedom meant to Em and Olivia slowly changed. As Olivia's violence and thirst for vengeance became her only ambition, Em was left to pick up the pieces. But it's not only Em who is upset by Olivia's increased violence. Other members of the Ruined army are beginning to see the cracks, and soon a small group of them defects from Olivia's army and joins Em instead. The two sisters are soon pitted against each other in an epic battle for the kingdom and the future, and only one will win.

While trying to expose a private security firm hired by the government to weaponize scrabs, Clara and Team Seven face their biggest threat yet—their own demons.

After rescuing her sister, Olivia, from imprisonment in rival kingdom Lera, Em and Olivia together vow to rebuild Ruina to its former glory. But their fight has only begun. Olivia is determined to destroy everyone who acts against Ruina. Em isn't as sure. Ever since Em posed as Prince Casimir's betrothed in Lera, she's started to see another side to this war. And now that Cas has taken the throne, Em believes a truce is within reach. But Olivia suspects that Em's romantic feelings for Cas are just coloring her judgement. Em is determined to bring peace to her home. But when winning the war could mean betraying her family, Em faces an impossible choice between loyalty and love. Em must stay one step ahead of her enemies—and her blood—before she's the next victim in this battle for sovereignty.
