Research for Indigenous Survival: Indigenous Research ...

This paper presents a snapshot of concerns in the field of Indigenous education in the late 1960s as compared with those of today, highlighting areas of improvement. Indigenous people's aspirations are not being met and the gaps between the Indigenous and non-Indigenous populations on all major educational indicators are unacceptably large.

Research for Indigenous Survival: Indigenous Research ...

Research for Indigenous Survival was published in 2014. To the best of my knowledge, this is the first book to position Indigenous methods within a Euro-Western disciplinary category. Like other Canadian writers, such as Wilson and Kovach (above), Lambert includes the voices of people she has worked with alongside her own in her narrative.
