'Rowan Oakwing' is a children's story (quite literally a fairy story!), suitable for mid-range readers and above. Set in London in the present day, it follows a girl called Rowan, who lives in a block of flats with her sister Willow and her father who has pretty much checked out of their lives since his wife, their mother, mysteriously disappeared one day seven years ago after visiting Hyde Park.

Rowan Oakwing is a modern day fairytale that will set children's imaginations on fire. The story is set in the world as we know it today and is packed full of adventure, magic, and imagery that really draw you in. There are some great characters within the story, my favourite being Harold the robin.
