A Running Record is an assessment tool which provides an insight into a student's reading as it is happening (Clay, 1993). A Running Record provides information on the following: a score of word reading accuracy. an analysis of a reader's errors and self-corrections. an analysis of the reading strategies used.

Running records
PALS 1-3 and PALS Plus are used with children in 1st through 8th grades to identify students at risk of reading difficulties. These assessments are designed to measure children's knowledge of important literacy fundamentals and can be used as a diagnostic tool to provide teachers with explicit information to help guide their teaching.

PALS
A running record is an informal check of oral reading accuracy. The procedure for taking a running record is described on the PALS website. This site also provides links to a downloadable running record form and a coding guide that explains how to record a student's oral reading accuracy. Please note the accuracy percentages on the PALS website:

British Mens Running Records - The Running Website
Running records are used to collect information on young readers who are still reading aloud and working on basic skills (think: those who are at reading levels aa-J). A running record captures both how well a student reads (the number of words they read correctly) and their reading behaviors (what they say and do as they read).

What Are Running Records? A Teacher Guide for Planning ...
Running Records You can do leveled reading assessment by taking a running record using a book that you believe is close to the child's developmental level. The running record allows you to record a child's reading behavior as he or she reads from the book. Reading A-Z provides benchmark books for this purpose.

Running Record Assesment Tips | Reading A-Z
Running Record Assistant is the number one choice for calculating Running Record scores. The app combines all the standard running record calculator and stopwatch functions with the convenience of audio recording playback. Flagging lets you score as you go and quickly refer back to audio of difficult sections after the session.
