That is why in English samadhi is called “spiritual absorption.” No part of your mind is left to maintain the awareness of anything other than the object of your meditation. Then neither internal nor external causes distract you. You are simply in a state of deep stillness, tranquility. And that state may last 30 seconds or two minutes (much longer when you become well practiced), and then ...

A Seeker's Guide to Samadhi - Yoga International

Samadhi is the eighth and final step on the path of yoga, as defined by Patanjali’s Yoga Sutras. The term is derived from several Sanskrit roots; sam meaning "together" or "completely," a meaning "toward" and dhe, meaning "put." Direct translations vary, and interpretations range from "bliss" to "liberation" and even "enlightenment."

In February 1971, as Apollo 14 astroanaut Edgar Mitchell hurtled Earthward through space, he was engulfed by a profound sense of universal connectedness. He intuitively sensed that his presence and that of the planet in the window were all part of a deliberate, universal process and that the glittering cosmos itself was in some way conscious. The experience was so overwhelming, Mitchell knew his life would never be the same.

This is a commemorative volume, published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, being a part of Swami Vivekananda’s 150th birth anniversary publications. It is a collection of revealing articles on this great personality by writers from all walks of life, and they present Vivekananda as that Turning Point in modern history, which will usher a new era of hope, peace, and living spirituality the world over.

A free ebook version of this title is available through Luminos, University of California Press’s Open Access publishing program for monographs. Visit www.luminosoa.org to learn more. How did the patronage activities of India’s Vijayanagara Empire (c. 1346-1565) influence Hindu sectarian identities? Although the empire has been commonly viewed as a Hindu bulwark against Islamic incursion from the north or as a religiously ecumenical state, Valerie Stoker argues that the Vijayanagara court was selective in its patronage of religious institutions. To understand the dynamic interaction between religious and royal institutions in this period, she focuses on the career of the Hindu intellectual and monastic leader Vyasaṭirtha. An agent of the state and a powerful religious authority, Vyasaṭirtha played an important role in expanding the empire’s economic and social networks. By examining his polemics against rival sects in the context of his work for the empire, Stoker provides a remarkably nuanced picture of the relationship between religious identity and sociopolitical reality under Vijayanagara rule.

The Great Lakes Basin is the largest surface freshwater system on Earth. The more than 30,000 islands dotted throughout the basin provide some of the best ways to enjoy the Great Lakes. While the vast majority of these islands can only be reached by private boat or plane, a surprising number of islands—each with its own character and often harboring more than a bit of intrigue in its history—can be reached by merely taking a ferry ride, or crossing a bridge, offering everyone the chance to experience a variety of island adventures. Great Lakes Island Escapes: Ferries and Bridges to Adventure explores in depth over 30 of the Great Lakes Basin islands accessible by bridge or ferry and introduces more than 50 additional islands. Thirty-eight chapters include helpful information about getting to each featured island, what to expect when you get there, the island’s history, and what natural and historical sites and cultural attractions are available to visitors. Each chapter lists special island events, where to get more island information, and how readers can help support the island. Author Maureen Dunphy made numerous trips to a total of 135 islands that are accessible by ferry or bridge in the Great Lakes Basin. On each trip, Dunphy was accompanied by a different friend or relative who provided her another adventurer’s perspective through which to view the island experience. Great Lakes Island Escapes covers islands on both sides of the international border between the United States and Canada and features islands in both the lakes and the waterways that connect them. Anyone interested in island travel or learning more about the Great Lakes will delight in this comprehensive collection.

Kashmir Has Been A Land Of Saints, Savants And Sages—Some Belonged To The Buddhist Faith—Some Advocated Shaiva Philosophy, Some Were Sufis And Some Were Saint-Poets. The Volumes Gives A Glimpse Of This Tradition Through An Account Of It Selected Sages From Kashmir And Lead Us To Divinity.

Learning medicine in the mountains is too boring. Come down the mountain and find your wife. Who knew that just as he reached the foot of the mountain, there were two beautiful girls who called him husband. Upon closer inspection, he had a cold illness! Sleep together. Don't hit, I'm telling the truth. With your extremely cold physique, you'll have to rely on my pure Yang body to 'heal' you. "Shame?" "Okay, then can you turn off the lights first?" And if the top quality Godly Doctor were to laugh at the beauty of the flower, the doctors would control the beauty of the masses!

This affordable, definitive edition of the Gheranda Samhita contains a new introduction, the original Sanskrit, a new English translation, and 39 full-page photographs. It’s the most encyclopedic of the classic Yoga texts and teaches a unique sevenfold path to perfection of the person. This is the first edition to meet high academic, literary, and production standards. It’s for people who practice Yoga and for anyone with an interest in health and fitness, philosophy, religion, spirituality, mysticism, or meditation.

Meticulously researched and compellingly written, The Gift of Consciousness is an engaging and approachable overview of Patañjali's Yoga Sutras through the prism of both Eastern and Western psychology. Grounded in a thorough knowledge of the Sanskrit original and training in psychology, Gitte Bechsgaard opens out these complex texts to the general reading public. Bechsgaard's clear-eyed approach makes this ancient text relevant to anyone interested in Yoga philosophy and practice. This book ...
