~~#6 Second Language Writing In The~~

Second language writing is the study of writing performed by non-native speakers/writers of a language as a second or foreign language. In addition to disseminating research through the Journal of Second Language Writing, scholars in the field regularly participate in three academic conferences, the Symposium on Second Language Writing, the TESOL convention, and the Conference on College Composition and Communication.

Instruction. Academic writing often requires students to incorporate material from outside sources (like statistics, ideas, quotations, paraphrases) into their own written texts-a particular obstacle for students who lack strong reading skills. In "Connecting Reading and Writing in Second" "Language Instruction," Alan Hirvela contends that second language writing students should be considered as readers first and advocates the ...
