Three provocative exposés from a National Jewish Book Award – winning journalist address the CIA ' s recruitment of Nazis and use of psychological warfare. The Splendid Blond Beast: This groundbreaking investigation into the CIA ' s post – World War II liberation and recruitment of Nazi war criminals—including the pivotal role played by CIA director Allen Dulles—traces the roots not only of US government malfeasance, but of mass murder as an instrument of financial gain and state power, from the Armenian genocide during World War I to Hitler ' s Holocaust through the practice of genocide today. “ Revelatory and shocking. ” —Kirkus Reviews Blowback: The true story of how US intelligence organizations employed Nazi war criminals in clandestine warfare and propaganda against the USSR, anticolonial revolutionaries, and progressive movements worldwide that were claimed to be Soviet pawns. “ The story is one that needs to be told, and Blowback makes a major contribution to its telling, supplementing a thorough collation of known cases with ample new research. ” —The New York Times Science of Coercion: Drawing on long-classified documents from the Pentagon, the CIA, and other national security agencies, Simpson exposes secret government-funded research into psychological warfare and reveals that many of the most respected pioneers in the field of communication science were knowingly complicit as their findings were employed for the purposes of

propaganda, subversion, intimidation, and counterinsurgency during the Cold War era. " An intriguing picture of the relations between state power and the intellectual community. " —Noam Chomsky, Massachusetts Institute of Technology

This compelling volume tackles the topic of the classified files that government agencies choose not to release under the terms of the Freedom of Information Act. Many of these documents supposedly cannot be found or are Top Secret files that the agencies admit exist but that they have decided to keep the public from seeing. The reason for the "missing" files is to stop the truth about some of the world's greatest conspiracies from ever becoming known, such as the Roswell UFO crash, the JFK assassination, Project MKUltra (the CIA's mind control operation), and a secret U.S. base on the moon.
