~~What is Electronic Commerce (EC Directive) Regulations ...~~

The Bourse de commerce (Commodities Exchange) is a building in Paris, France, originally used as a place to negotiate the trade of grain and other commodities, now used to provide services to businesses by the Paris Chamber of Commerce. It has its origins in a circular corn exchange built in 1763–67, with an open-air interior court that was capped by an iron dome in 1811.
