must learn what it really means to be an Alpha, while he finds himself growing into the husband and father he was meant to be. Adelina gains a first seat glimpse into Demitrey's past, but that's not the only past she had to revise, in order to know her full potential as Luna. Together they must risk everything by taking on an enemy that

an individual's physical and psychological nature. Mir Bashir's classic work is renowned for its comprehensive exploration of the art of hand reading. The text carefully explores and explains the two methods of analysis: cheirognomy and cheiromancy. Cheirognomy is the study of the shape of the hand, finger formations,

nails, skin texture and the eight mounts of the hand. Cheiromancy is the interpretation of the lines and markings engraved on the palm's surface. Mir Bashir considers the seven major lines, as well as treating in detail the wealth of minor and unusual signs and marks. This new edition of *The Art of Hand Analysis* contains over
