The outfit makes me look a little like a sexy tan sailor and I love it. It's my favorite. He was going to notice me today, goddammit. I got to class early and sat in my usual seat and did my best to come up with a plan. If he also got there early, before any of my sisters or my boyfriend's friends, then I'd try to at least get his full name and friend him on Facebook. If not, then I'd ...

What does it mean to be naked in public? Approaching this question from across the disciplines, this book examines the evolution of female exhibitionism from criminal taboo to prime-time entertainment. Taking an interdisciplinary approach which brings together all fields of popular culture, including literature, media, film and linguistics, Claire Nally and Angela Smith offer an examination of gendered exhibitionism from the mid-twentieth century to the present day. They ask whether bodily exposure provides the liberation it professes to or restricts our most secret selves to the sanitised realm of socially-sanctioned gender roles. From the art of burlesque as a riotous kingdom of the imagination to reality TV which helps women to unearth their 'true' and buried feminine selves, Nally and Smith explore how the critical history and theory of exhibitionism intersects with the wider movement towards gender equality. Examining effects of second-wave feminism to problematise the naked female form, female and gender-transgressive performers from Bette Davis to Dita von Teese are placed in their cultural context. In order to demonstrate that female exhibitionism remains at the heart of popular culture, this book also examines the works of Peter Ackroyd and the controversial playwright Sarah Kane, uncovering the contradictions behind evolving representations of public exposure. Within a post-feminist framework, the cultural constructions behind the repackaging of female exhibitionism are explored and the prominence of bodily exposure in popular culture examined, along with the implications of those artists who perform gender as a public masquerade. Finally, hit TV shows 'Ladette to Lady' and 'How to Look Good Naked' are interrogated to expose the buried contradictions behind this public unveiling: are women seizing control of their own identity, or is this revelation an illusion? Innovative, unflinching and pertinent, 'Naked Exhibitionism' explores naked bodies in the public gaze and critically reformulates the feminist and cultural debate around the performance of gender.

Nancy Meyers is acknowledged as the most commercially successful woman filmmaker of all time, described by Daphne Merkin in The New York Times on the release of *It's Complicated* as "a singular figure in Hollywood [she] may, in fact, be the most powerful female writer-director-producer currently working". Yet Meyers remains a director who, alongside being widely dismissed by critics, has been largely absent in scholarly accounts both of contemporary Hollywood cinema, and of feminism and film. Despite Meyers' impressive track record for turning a profit (including the biggest box-office return ever achieved by a woman filmmaker at that time for *What Women Want* in 2000), and a multifaceted career as a writer/producer/director dating back to her co-writing *Private Benjamin* in 1980, Meyers has been oddly neglected by Film Studies to date. Including Nancy Meyers in the *Bloomsbury Companions to Contemporary Filmmakers* rectifies this omission, giving her the kind of detailed consideration and recognition she warrants and exploring how, notwithstanding the challenges authorship holds for feminist film studies, Meyers can be situated as a skilled 'auteur'. This book proposes that Meyers' box-office success, the consistency of style and theme across her films, and the breadth of her body of work as a writer/producer/director across more than three decades at the forefront of Hollywood, (thus importantly bridging the second/third waves of feminism) make her a key contemporary US filmmaker. Structured to meet the needs of both the student and scholar, Jermyn's volume situates Meyers within this historical and critical context, exploring the distinctive qualities of her body of work, the reasons behind the pervasive resistance to it and new ways of understanding her films.

Years in the making, Sarah J. Maas's #1 New York Times bestselling *Throne of Glass* series draws to an epic, unforgettable conclusion. Aelin Galathynius's journey from slave to king's assassin to the queen of a once-great kingdom reaches its heart-rending finale as war erupts across her world. . . Aelin has risked everything to save her people-but at a tremendous cost. Locked within an iron coffin by the Queen of the Fae, Aelin must draw upon her fiery will as she endures months of torture. Aware that yielding to Maeve will doom those she loves keeps her from breaking, though her resolve begins to unravel with each passing day... With Aelin captured, Aedion and Lysandra remain the last line of defense to protect Terrasen from utter destruction. Yet they soon realize that the many allies they've gathered to battle Erawan's hordes might not be enough to save them. Scattered across the continent and racing against time, Chaol, Manon, and Dorian are forced to forge their own paths to meet their fates. Hanging in the balance is any hope of salvation-and a better world. And across the sea, his companions unwavering beside him, Rowan hunts to find his captured wife and queen-before she is lost to him forever. As the threads of fate weave together at last, all must fight, if they are to have a chance at a future. Some bonds will grow even deeper, while others will be severed forever in the explosive final chapter of the *Throne of Glass* series.

Batman recruits He-Man in the ultimate fight against Superman's dictatorship on Earth! But as He-Man forms an alliance with the heroes of *Injustice*, his own home of Eternia faces a threat of its own in the form of Darkseid! Collects the six-issue crossover event!

Long before *Clinch* covers and *Bodice Rippers*, romance novels had a bad reputation as the lowbrow lit of desperate housewives and hopeless spinsters. But why were these books-the escape and entertainment of choice for millions of women-singled out for scorn and shame? *Dangerous Books for Girls* examines the secret history of the genre's bad reputation-from the "damned mob of scribbling women" in the nineteenth century to the sexy mass-market paperbacks

of the twentieth century-and shows how romance novels have inspired and empowered generations of women to dream big, refuse to settle, and believe they're worth it. For every woman who has ever hidden the cover of a romance-and every woman who has been curious about those "Fabio books"-Dangerous Books For Girls shows why there's no room for guilt when reading for pleasure.

At a critical point in the development of photography, this book offers an engaging, detailed and far-reaching examination of the key issues that are defining contemporary photographic culture. Photography Reframed addresses the impact of radical technological, social and political change across a diverse set of photographic territories: the ontology of photography; the impact of mass photographic practice; the public display of intimate life; the current state of documentary, and the political possibilities of photographic culture. These lively, accessible essays by some of the best writers in photography together go deep into the most up-to-date frameworks for analysing and understanding photographic culture and shedding light on its histories. Photography Reframed is a vital road map for anyone interested in what photography has been, what it has become, and where it is going.

Includes an interview featuring Dagmara Dominczyk and Adriana Trigiani A vibrant, engaging debut novel that follows the friendship of three women from their youthful days in Poland to their complicated, not-quite-successful adult lives Because of her father's role in the Solidarity movement, Anna and her parents immigrate to the United States in the 1980s as political refugees from Poland. They settle in Brooklyn among immigrants of every stripe, yet Anna never quite feels that she belongs. But then, the summer she turns twelve, she is sent back to Poland to visit her grandmother, and suddenly she experiences the shock of recognition. In her family's hometown of Kielce, Anna develops intense friendships with two local girls-brash and beautiful Justyna and desperately awkward Kamila-and their bond is renewed every summer when Anna returns. The Lullaby of Polish Girls follows these three best friends from their early teenage years on the lookout for boys in Kielce-a town so rough its citizens are called "the switchblades"-to the loss of innocence that wrecks them, and the stunning murder that reaches across oceans to bring them back together after they've grown and long since left home. Dagmara Dominczyk's assured narrative flashes from the wild summers of the girls' youth to their years of self-discovery in New York and Europe. Her writing is full of grit and guts, and her descriptions of the emotional experiences of her characters resonate with honesty. The Lullaby of Polish Girls captures the passion and drama of friendship, the immigrant's yearning to be known, and the exquisite and wistful transformation of young women coming of age. Praise for The Lullaby of Polish Girls "A coming-of-age tale of three young Polish women [that is] brimming with teary epiphanies, betrayal and love, as well as the grit of both New York and Kielce. [It's] Girls with a Polish accent."The New York Times "The Lullaby of Polish Girls will make you swoon. Dagmara Dominczyk has written a glorious debut novel inspired by her own emigration from Poland to Brooklyn with depth, intensity, humor, and grace."Adriana Trigiani "An ennui-stricken actress returns to the old country-and to the friends of her youth-in Dagmara Dominczyk's The Lullaby of Polish Girls, in which solidarity is all about summer evenings under the stars with a vodka bottle and a radio playing "Forever Young." "Vogue "Compelling . . . an original portrait of friendship and identity . . . Dominczyk uses a fresh, confident style."People "In this arresting debut novel, Polish American film and TV actress Dominczyk pays homage to her native city of Kielce while capturing the joys, insecurities, and struggles of three girlfriends coming of age. Spanning thirteen years, Dominczyk's absorbing story is a triptych of *tsknota* (Polish for a kind of yearning) and a profound desire for acceptance, freedom, and home."Booklist (starred review) "The Lullaby of Polish Girls is sexy and sensitive, with a raw, openhearted center. Dominczyk's love for her complicated characters is apparent from the first page to the last, and by the novel's end the reader cares for them just as deeply."Emma Straub Look for special features inside. Join the Random House Reader's Circle for author chats and more.

From New York Times best-selling author Lexi Ryan, Cruel Prince meets A Court of Thorns and Roses in this sexy, action-packed fantasy about a girl who is caught between two treacherous faerie courts and their dangerously seductive princes. Brie hates the Fae and refuses to have anything to do with them, even if that means starving on the street. But when her sister is sold to the sadistic king of the Unseelie court to pay a debt, she'll do whatever it takes to get her back-including making a deal with the king himself to steal three magical relics from the Seelie court. Gaining unfettered access to the Seelie court is easier said than done. Brie's only choice is to pose as a potential bride for Prince Ronan, and she soon finds herself falling for him. Unwilling to let her heart distract her, she accepts help from a band of Unseelie misfits with their own secret agenda. As Brie spends time with their mysterious leader, Finn, she struggles to resist his seductive charm. Caught between two dangerous courts, Brie must decide who to trust with her loyalty. And with her heart.

The timeless coming-of-age novel about five young women who meet at Radcliffe College and together grow to maturity-through intrigues, ambitions, affairs, and marriages-from World War II to the 1980s. Lavinia, Peg, and Cathy seem to have little in common save for their freshman status. None of them could know that their destinies are about to inextricably intertwine. Across four decades, as time and events upend their expectations, these five women discover their sexuality, reveal their secrets, and struggle with independence-sometimes surrendering, sometimes making stunning choices. Now reissued thirty-five years after its original release, Alice Adams's Superior Women, hailed as "a remarkable compression of time, memory, and sentiment"rather as if Hemingway had been turned loose on Proust" (San Francisco Chronicle), is a richly drawn, uncompromising novel about women's intimate, interior lives for fans of Mary McCarthy's The Group and Rona Jaffe's The Best of Everything.

"An Old Woman's Tale (From: "The Doliver Romance and Other Pieces: Tales and Sketches")" by Nathaniel Hawthorne. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
