When visitors travel to Pennsylvania Dutch Country, they are encouraged to consume the local culture by way of "regional specialties" such as cream-filled whoopie pies and deep-fried fritters of every variety. Yet many of the dishes and confections visitors have come to expect from the region did not emerge from Pennsylvania Dutch culture but from expectations fabricated by local-color novels or the tourist industry. At the same time, other less celebrated (and rather more delicious) dishes, such as sauerkraut and stuffed pork stomach, have been enjoyed in Pennsylvania Dutch homes across various localities and economic strata for decades. Celebrated food historian and cookbook writer William Woys Weaver delves deeply into the history of Pennsylvania Dutch cuisine to sort fact from fiction in the foodlore of this culture. Through interviews with contemporary Pennsylvania Dutch cooks and extensive research into cookbooks and archives, *As American as Shoofly Pie* offers a comprehensive and counterintuitive cultural history of Pennsylvania Dutch cuisine, its roots and regional characteristics, its communities and class divisions, and, above all, its evolution into a uniquely American style of cookery. Weaver traces the origins of Pennsylvania Dutch cuisine as far back as the first German settlements in America and follows them forward as New Dutch Cuisine continues to evolve and respond to contemporary food concerns. His detailed and affectionate chapters present a rich and diverse portrait of a living culinary practice—widely varied among different religious sects and localized communities, rich and poor, rural and urban—that complicates common notions of authenticity. Because there's no better way to understand food culture than to practice it, *As American as Shoofly Pie's* cultural history is accompanied by dozens of recipes, drawn from exacting research, kitchen-tested, and adapted to modern cooking conventions. From soup to Schnitz, these dishes lay the table with a multitude of regional tastes and stories. Hockt eich hie mit uns, un esst eich satt—Sit down with us and eat yourselves full!

The Civil War was a flashpoint in the history of America. This volume is a collection of three stories that show the commitment and valor of those young people who fought and died experiencing the horrors of war. *The Forgotten Confederate Sentry* is a story told by the ghost of a rebel soldier to a cadre of Union soldiers buried alongside him in a small rural Pennsylvania cemetery. As he has stood sentry duty for almost 140 years, he tells them of his love for his retarded younger brother and the promises he made to him as they fought valiantly along side of one another at the battle of Antietam. *Mattie Anderson* tells the story of a young girl from Illinois who joins up with a local Union regiment, hiding her femininity in the guise of a young man, in order to seek her older brother whom she believes joined the rebel army. She ultimately carries a secret message back to her commanding officer that contributes to the end of the war. The third story is a true story of a young Pennsylvanian Union officer, Andrew Gregg Tucker, a graduate of what is now Bucknell University in Lewisburg, Pennsylvania, who brings glory and honor to his name through his heroic death at the battle of Gettysburg.

This book tells the true story of one family's dream trip. Like many young couples before having kids, Jim and Pam enjoyed traveling together to new places. Unlike most couples, their traveling days did not stop when kids came along. In fact, their love for travel infected their whole family. Every school break they would travel somewhere, to explore a new state or visit a far-off relative. What would it be like to spend a whole year traveling together? They tossed the idea around, considered the places they might travel and the people they might see. Especially alluring would be the special opportunities to knit their hearts together even tighter as a family. This idea grew into a reality. This book tells the story of that dream-come-true.
