Parents need to know that Sky Raiders is the first book in the Five Kingdoms series from fantasy author Brandon Mull, who developed a big fan base from his Fablehaven and Beyonders series. If kids have already read some of Mull's books, they'll find the start of this series less violent and just a little less complex than Beyonders.

Sky Raiders is a really great book. It's full of amazing characters and has an extremely creative world. I love this book because the outskirts is such an original idea. I didn't like the beginning as much as the rest of the book, because there was a gross part, but I'm so glad that I kept reading!
