Just add your own pictures to make photocopiable activities personalized for your students - it encourages them to get involved, and helps them enjoy learning.

A complete and flexible four-skills course that offers personalized speaking on every page, Smart Choice is the easy and effective way to teach English. Teach right off the page, add your own activities with ease, and expand your lessons with extra material, including customizable worksheets and free video.

Online Practice with Testing Program With the Smart Choice Online Practice Learning Management System teachers stay in control. You can: Keep in touch with students outside of the classroom with email and the Discussion Board. Create classes, hide and assign content, and track students' progress through a variety of easy-to-use visual reports. Test students at every stage of the course with the Online Practice Testing Program. Four interactive, auto-scored Progress Tests for each level cover the core Student Book syllabus. Teachers can also download print-and-go and customizable unit, midterm, and final tests from the Teacher's Resources area. Access the Learning Management System using the access code found in the back of every Smart Choice Teacher's Book.

Four-skills American English course with personalized speaking on every page, plus a range of digital components for class and homework. Smart Choice Second Edition makes teaching easier for you. It's flexible. You can teach lessons exactly as they are, straight off the page. More speaking and listening activities offer new opportunities for extra challenge and expansion. New iTTools interactive whiteboard software and online practice enhances and extends your lessons.

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

The world's best-selling grammar series for learners of English. Basic Grammar in Use Fourth Edition is an American English self-study reference and practice book for beginner level learners (A1-B1). With simple explanations, clear examples, and easy to understand exercises, it is perfect for students who are learning on their own, but can also be used in the classroom. It comes with an easy to use answer key in the back of the book.
