Defining Social Psychology Social psychology is the scientific study of how individuals think, feel, and behave in a social context. Like other sciences, social psychology relies on the systematic approach of the scientific method. Distinctive characteristics of social psychology include a focus on the individual as well as a broad perspective on a variety of social contexts and

STATISTICAL METHODS FOR PSYCHOLOGY surveys the statistical techniques commonly used in the behavioral and social sciences, particularly psychology and education. To help students gain a better understanding of the specific statistical hypothesis tests that are covered throughout the text, author David Howell emphasizes conceptual understanding. This Eighth Edition continues to focus students on two key themes that are the cornerstones of this book's success: the importance of looking at the data before beginning a hypothesis test, and the importance of knowing the relationship between the statistical test in

Get Free Social Psychology Saul Kassin 8th Edition

use and the theoretical questions being asked by the experiment. New and expanded topics--reflecting the evolving realm of statistical methods--include effect size, meta-analysis, and treatment of missing data. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This current, engaging, and practice-oriented text is your complete resource for mastering the many facets of family therapy. In this eighth edition, the authors provide practice-oriented content that will help you become an empathic and effective family therapist. The new edition includes the latest references and

Get Free Social Psychology Saul Kassin 8th Edition

contemporary thinking on central issues such as family resiliency, alternative forms of family life today, gender, culture, and ethnic considerations. A new feature, Thinking like a Clinician, helps students to reflect on practice issues related to each chapter. This edition also contains the American Association for Marriage and Family Therapy Code of Ethics--a great reference that will help you understand the importance of ethical practices.
