**Synopsis - Soul Surfer Book Review**

Soul Surfer. Are you familiar with the amazing survival story and stirring comeback of professional surfer Bethany Hamilton? Despite losing her left arm to a shark attack, she soon returned to the ...

They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing - not even the loss of her arm in a horrific shark attack - could come between her and the waves? That Halloween morning in Kauai, Hawaii Bethany responded to the shark's stealth with a calmness beyond belief. Pushing pain and panic aside, she immediately thought: 'Get to the beach...' Rushed to the hospital, where her father, Ted Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the operating theatre. When the first thing Bethany wanted to know after surgery was 'When can I surf again?' it became clear that her unflinching spirit and determination were part of a greater story - a tale of courage and faith that this modest and soft-spoken girl would come to share with the world.

Embark on a swashbuckling adventure with Robert Louis Stevenson's classic Treasure Island. The chapters of this book are nothing but mirrors for seeing your "self" from different angles. And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Remember, if we are seeking the root of "self," what we are actually seeking is you. As you read through these pages, you will find that you know much more than you thought you did about some very deep subjects. The fact is, you already know how to find yourself; you have just gotten distracted and disoriented. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

Born without Legs, She Inspires Others to Overcome Jen Bricker was born without legs. Shocked and uncertain they could care for her, her biological parents gave her up for adoption. In her loving adoptive home, there was just one simple rule: "Never say 'can't.'" And pretty soon, there was nothing this small but mighty powerhouse set her sights on that she couldn't conquer: roller-skating, volleyball, power tumbling, and spinning from silk ribbons thirty feet in the air. Everything Is Possible is her incredible story--a story of God working out his plan for her life from before day one. Readers follow Jen from the challenges of growing up different to holding captive audiences numbering in the tens of thousands. Everything Is Possible shows readers what they can accomplish when they remove the words coincidence and limitation from their vocabulary. Filled with heart and spirit, as well as Jen's wit, wisdom, and no-holds-barred honesty, this inspiring true story points the way to purpose and joy. Foreword by Nick Vujicic.
