It just goes to show you that you can't
apply adult rationale to discern a
toddler's preferences. Spot videos are
by far his favorite. This one has a
number of charming stories including
a trip to the farm where he is looking
for all the baby animals. The new
version is a reworked version of the
original which came out in 1993.

In 'Spot Goes to the Farm', Spot's dad takes his son to look for baby animals, but until near the end of the book, Spot only finds grown-up creatures behind the flaps. This book gently teaches the names of baby animals and the fun comes from identifying whether big or small animals are waiting to be uncovered.
