Anyway, these scans are a complete walkthrough of the game with a couple secret codes at the end.

Spoiler warning: Since these are scans from a walkthrough they obviously contain spoilers. Act 1: Snatch.. I'll skip the obvious juvenile joke here. This first part of the game is tad on the dull side.

Here are some beginner tips and tricks for the players from the Watch Dogs Legion Strategy Guide: Scan everything you see: One of the major features of the game is recruiting any NPC from the open world. It could be anyone, a guy selling some street food or a business tycoon, so the player should scan every character they see as they don't know which character with the right skillset could pop up when.
