A fascinating self-portrait of the fairy-tale life of a woman who understood that a committed talent could transform the world around her. "Maria Tallchief and American ballet came of age in the same moment.... Her story will always be the story of ballet conquering America. "Maria Tallchief knew she wanted to dance while watching Osage dancers as a child in Oklahoma. For tribal ceremonies, only men were allowed to dance. But, Maria went on to become America's first prima ballerina. She was one of the best dancers in the world"--

Born in 1925, Maria Tallchief spent part of her childhood on an Osage reservation in Oklahoma. With the support of her family and world-renowned choreographer George Balanchine, she rose to the top of her art form to become America's first prima ballerina. Black-and-white illustrations provide visual sidebars to the history of ballet while taking readers through the life of this amazing dancer.

This is the first authorized biography of four twentieth-century American Indian ballerinas: Maria Tallchief, Rosella Hightower, Marjorie Tallchief, and Yvonne Chouteau. Each grew up in Oklahoma during the 1920s and 1930s and went on to achieve international fame. Lili Cockerille Livingston, who worked with all four ballerinas during her own career as a dancer, draws upon her extensive interviews with the women to bring their stories to life while also shedding new light both on the development of New York City Ballet, American Ballet Theatre, and the now-defunct Harkness Ballet and Grand Ballet du Marquis de Cuevas.
