The Tapco S8 are a set of monitors that are great for home use. Especially if you room where you will have them in is pretty small. I have used these off and on for about 5 years now in a room that is 10 by 10 and they continue to work great and cause no problems at all. You must keep these at a middle volumn and not turn the up too much.

User reviews: Tapco S8 - Audiofanzine

The S8's sound fantastic, I am absolutely convinced that the only difference is price and low end response. The S8's are tighter than the HR824's but to be honest I find the HR824's too loose. I am extremely pleased with the TAPCO S8's. For the price, they definitely out-perform any of the similar priced monitors in their class.

TAPCO Made traffic safety solutions

With the S-8, Tapco included fine calibration controls to let you adjust the low (0, +2, +4 dB below 100Hz) and high (+/- 2dB above 5kHz) frequency response to suit your taste. More importantly, these controls help to ensure that the great sounds you get with the S-8 also sound great on your home stereo, in the car, and anywhere else your music is played.

TAPCO

Review: Tapco S8 Active Monitors. 28 November 2005 Review, Studio Mackie, Tapco G. Imaging is impressive on the S8. I've mixed on NS10s, JBL 4208 and 4312, and various Genelec and Tannoy models. The S8 is not as pretty-sounding as a Genelec, but I prefer it that way. Some Tannoy monitors, especially the older concentric units, are cleaner ...
