Tarot as Divination . In both France and Italy, the original purpose of Tarot was as a parlor game, not as a divinatory tool. It appears that divination with playing cards started to become popular in the late sixteenth and early seventeenth century, although at that time, it was far more simple than the way we use Tarot today.

The tarot is a pack of playing cards, used from the mid-15th century in various parts of Europe to play games such as Italian tarocchini, French tarot and Austrian Königrufen, many of which are still played today. In the late 18th century, some tarot decks began to be used for divination via tarot card reading and cartomancy leading to custom decks developed for such occult purposes. Like common playing cards, the tarot has four suits which vary by region: French suits in Northern Europe, Latin

Court de Gébelin published a dissertation on the origins of the symbolism in the tarot in volume VIII of work Le Monde primitif in 1781. He thought the tarot represented ancient Egyptian Theology, including Isis, Osiris and Typhon. For example, he thought the card he knew as the Papesse and known today as the High Priestess represented Isis.
