Written by young writers from the dynamic magazine Jacobin, alongside several distinguished scholars, The ABCs of Socialism answers basic questions, including ones that many want to know but might be afraid to ask (“Doesn’t socialism always end up in dictatorship?”, “Will socialists take my Kenny Loggins records?”). Disarming and pitched to a general readership without sacrificing intellectual depth, this will be the best introduction an idea whose time seems to have come again.

ABCs of Socialism. by Ahjamu Umi. Published Thursday - November 19, 2020 . It's not a stretch to say that during the last one hundred years, the words socialism and communism have been two of the most controversial words and concepts on the planet. It's equally true that those two words/concepts are also widely and tragically misunderstood.

A similar spirit informed The ABCs of Socialism, a book Jacobin published in 2016, and Sunkara's own Socialist Manifesto, which Basic Books is publishing in April. He told me that he wrote the book, a history of socialism, in hopes that a high school student would "be able to pick it up and understand it and be interested in it."
