Marlene has no love lost for the Soviet occupying forces, who turn out to be every bit as cruel as the Nazis were. Living in constant fear of the Russian soldiers, she works in a hospital to make ends meet, where she meets Werner, a cold-hearted career politician. Werner, a German émigré to Moscow, returns to his hometown with the highest hopes for a better future. Sent by the communist party to bring freedom, wealth and happiness to the people, he's soon caught in a moral conflict between loyalty to his party and his conscience. When Marlene criticizes the socialist German regime, she becomes the target of powerful men. Oblivious to the danger for her own life, she refused to back down, and there's only one thing Werner can do to save her life: defy the party line. But will he be able to shed decades of indoctrination for the woman he loves? And what will become of him if he does? Vivianne Knebel was born illegitimate in 1943 in the epicenter of Nazi power, Berlin, Germany. Her free-spirited and strong-willed mother, Marija, fought to keep her alive among falling bombs and Soviet attacks. After the end of World War II, with much of Berlin razed to the ground, Vivianne came to know poverty and constant hunger. As a teenager, she immigrated to Canada, but in her new homeland, times became so desperate that she had to beg for money to eat. After dropping out of school to find work, Vivianne became the victim of sexual harassment. Spiraling into depression, she attempted to take her life, but was miraculously saved by a six-year-old child. Falling in love with a fellow German immigrant, Wiland, proved a pivotal turning point for Vivianne. He saw a wellspring of potential in her and believed that she could become more than she had ever imagined. They married and moved to the United States. In the land where so many immigrant dreams are built, Wiland encouraged Vivianne to pursue endeavors that would test her mettle, including piloting a plane, running a marathon, and taking on a key role in supporting his business enterprise. Vivianne's journey of personal growth later gave her the courage to battle cancer and embrace a spiritual life.
