The Black Swan (1942) - IMDb
Black Swan is sensual, seductive, lustful, and intense, and Aronofsky's direction captures it all perfectly. With a style as complex and masterful as Aronofsky's, it is hard for any aspect of the film to look bad, but this wasn't a problem because I felt that every aspect of this film was nearly flawless. One such aspect was the brilliant ...

The Black Swan Imd Business School
The black swan theory or theory of black swan events is a metaphor that describes an event that comes as a surprise, has a major effect, and is often inappropriately rationalised after the fact with the benefit of hindsight. The term is based on an ancient saying that presumed black swans did not exist – a saying that became reinterpreted to teach a different lesson after the first European encounter with them. The theory was developed by Nassim Nicholas Taleb to explain: The ...
