The Columbia Guide to Digital Publishing —Google Books

The guide was designed to be a book that "grows with you," and can be accessed through multiple entry points; there are heterogeneous, but intersecting, subjects forming the focus of each chapter. The book was prepared by academics, consultants, publishers, and technologists, and is one of the few books of this nature that lives up to the promises made in its introduction.

Guide: How to Approach Digital-First Community Engagement

Digital painting is a new medium that lets us create beautiful artwork, without the messiness of painting with inks or oils. It still requires many of the same skills and techniques as traditional painting (no, you can't just create art at the click of a button... yet), but it's also easier in many ways.
