Entering the DARK ZONE in Division 2.. (Intense) - YouTube

The Dark Web relies on darknets or networks where connections are made between trusted peers. Examples of Dark Web systems include TOR, Freenet, or the Invisible Internet Project (I2P) [8]. Taking on the mining tunnel metaphor, the Dark Web would be the deeper portions of the Deep Web that require highly specialized tools or equipment to access.

Our ancestors believed that sports were a gift of the gods--that they were potent rituals, which, if performed correctly, would placate unseen powers, honor departed heroes, or improve the harvests. This book explores this inner dimension of sports, drawing from mythology, the history of religion, observations on popular culture, and a wonderful array of anecdotes about the world's most accomplished athletes.

The surface of the moon is more familiar to us than the deep sea of our own planet. Many oceanographers are trying to change that. To explore the deep sea, they climb into submersibles and employ ROVs to find out more about the ocean and ocean floor. Gail Gibbons invites readers along for a journey to the deep sea, explaining the technology for exploration and the kinds of animals found at different sea levels. According to The Washington Post, Gail Gibbons, "has taught more preschoolers and early readers about the world than any other children's writer-illustrator." She has published more than 100 informational titles, all fully vetted by experts,. Her many honors include The Washington Post/Children's Book Guild Nonfiction Award and the NSTA Outstanding Science Trade Book Award.
