A good handbook ensures there is no ambiguity about the conduct and behaviour you expect from your staff or what they can expect from you as their employer. The handbook ensures consistency in how employees are treated - managers/business owners can use it as a source of reference when answering employee questions, making decisions or taking corrective action around performance.

The Employer's Handbook 2017-18 has established itself as a source of reliable, unambiguous guidance for all small- to medium-sized employers in the UK, clearly identifying the legal essentials and best-practice guidelines for effective people management. It is a comprehensive source of hands-on advice on the increasingly complex legal framework now governing UK employment law, including guidelines on age discrimination legislation and the latest employment tribunal procedures. Endorsed by the Institute of Directors, this fully updated edition of The Employer's Handbook 2017-18 covers recruitment, contracts, benefits, performance management, maternity and paternity rights, personnel records and data protection, terminating employment, and ensuring the health, safety and welfare of employees and pension obligations. It also provides access to a unique set of downloadable templates, forms and policy documents for dealing with key employment issues.

The Employer's Handbook 2017-2018 offers the latest commentary and advice on the HR issues facing all employers, from contracts and job offers, through to maternity leave, pension contributions, redundancy and tribunals.

This newest edition of the LexisNexis Ohio Annotated Business Entities Handbook contains indispensable information on for-profit and nonprofit corporations and other Ohio business entities, and along with expert analysis, it contains the tax comments, statutes, and forms that you need for your business practice. Updated every other year so you have immediate access to current law, this is the reference your clients want you to have. Whether you are purchasing a single copy or buying in volume for every attorney in a large firm, this is the single business entities reference you need from the name you trust for all your legal research needs.

This text explains and synthesizes the functioning and relationships of numerous Defense, Joint, and Army organizations, systems, and processes involved in the development and sustainment of trained and ready forces for the Combatant Commanders. It is designed to be used by the faculty and students at the U.S. Army War College (as well as other training and educational institutions) as they improve their knowledge and understanding of "How the Army Runs." We are proud of the value that senior commanders and staffs place in this text and are pleased to continue to provide this reference.

The Employer's Handbook has established itself as a source of reliable, unambiguous guidance for all small- to medium-sized employers, clearly identifying the legal essentials and best-practice guidelines

for effective people management. The book is a comprehensive source of hands-on advice on the increasingly complex legal framework now governing UK employment law, including guidelines on age discrimination legislation and the latest employment tribunal procedures. Coverage includes: recruitment, contracts, benefits, performance management, maternity and paternity rights, personnel records and data protection, terminating employment, and ensuring the health, safety and welfare of employees and pension obligations. It also provides access to a unique set of downloadable templates, forms and policy documents for dealing with key employment issues.

The most complete guide to an employer's legal rights and responsibilities, this book shows how to comply with workplace laws and regulations, run a safe and fair workplace and avoid lawsuits. It explains the latest laws concerning: -- hiring and firing -- personnel policies -- employee compensation and benefits -- discrimination -- workers' comp -- workplace health and safety -- family and medical leave -- and much more. The completely revised third edition expands its coverage of worker privacy rules, discusses when a psychological test of a job applicant may violate the Americans With Disabilities Act, provides updated information on training wages and rounding off hours worked, and trumpets the latest word from the U.S. Supreme Court on sexual harassment.

The Political Handbook of the World provides timely, thorough, and accurate political information, with more in-depth coverage of current political controversies than any other reference guide. The updated 2018-2019 edition will continue to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup. Compiling in one place more than 200 entries on countries and territories throughout the world, this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system. It also provides names of key ambassadors and international memberships of each country, plus detailed profiles of more than 30 intergovernmental organizations and UN agencies. This comprehensive update will include coverage of current events, issues, crises, and controversies from the course of the last two years, including: Elections across Europe Referendum in Ireland Rohingya genocide in Myanmar The Venezuelan dictatorship The renaming of Swaziland to eSwatini Qatar diplomacy changes Historic meeting between the United States and North Korea Establishment of a new governing coalition in Liberia

The Handbook of U.S. Labor Statistics: Employment, Earnings, Prices, Productivity, and Other Labor Data continues and enhances the Bureau of Labor Statistics' (BLS) discontinued publication, Labor Statistics. It brings authoritative data from the BLS and other government agencies together into a convenient, single-volume source of labor data.
