This Warfare manual is timely and spiritually on target as the Church of Christ enters into the greatest battle of its very existence. As the Tribulation Period is ushered in, the Church must enter into intense training in this vital area of warfare if it is going to survive the Spirit of the Anti-Christ!

A practical handbook for those wanting to use drama and theatre to explore issues in their work with young people, this book has developed from ten years of active research in community settings. The authors' holistic approach to theatre-making draws on theatre in education, community theatre, youth work, group work and conflict resolution.

This one-of-a-kind guide serves as a rich and essential resource for mental health professionals working with women whose lives have been shattered by the trauma of sexual, physical, or emotional abuse. The book presents a practical, step-by-step guide to implementing a group recovery program for female trauma survivors.

In order for an organization to thrive, it is essential to develop key strategies for interaction, leadership, and management within diverse settings. Refining these skills ultimately aids in the arbitration of any potential conflicts that may arise during intra-organizational interactions. The Handbook of Research on Effective Communication, Leadership, and Conflict Resolution evaluates operational strategies and interpersonal skill development for the successful leadership and management of modern organizations. Highlighting various governance and interaction techniques that assist in mediating organizational controversies, this handbook of research is a vital source for professionals, leaders, managers, and human resource specialists interested in developing skills needed to efficiently communicate, collaborate, and negotiate across differences within an organization.

As communication and leadership skills are both essential for personal and organizational success, new approaches and management styles are continuously being sought. Emerging technologies, automation opportunities, and a diverse workforce are just a few of the challenges business professionals must be prepared for in today's workplace environment. The Handbook of Research on Strategic Communication, Leadership, and Conflict Management in Modern Organizations provides emerging research exploring the theoretical and practical aspects of managing and solving conflicts, and introduces updated approaches for refining communication and leadership skills. Featuring coverage on a broad range of topics such as emotional intelligence, organizational crises, and virtual team management, this book is ideally designed for professionals, leaders, managers, and human resource specialists seeking current research on developing the skills and consciousness needed to effectively communicate, negotiate, and collaborate in diverse organizations.

Increasingly, it is being recognized that spirituality, defined here as "a multiform search for a transcendent meaning of life that connects them to all living beings and brings them in touch with God or 'Ultimate Reality,'" is an aspect of almost every sphere and aspect of social life. It appears in humanity's dealings with nature, home and community, healing, economics and business, knowledge, and education. The Routledge International Handbook of Spirituality in Society and the Professions is a stimulating collection that summarizes the most important issues, frameworks, discussions, and problems relating to spiritually inspired activities in different fields of social life. The contributors explore how spirituality is a part of existence and present approaches and models for professionals working in diverse areas. Presented in seven parts, the book provides a full overview of current research and practice. Part II, "Facets of spirituality," explores topics including philosophy, psychology, theology, and culture. Part III, "Nature," looks at ecology, agriculture, cities, and tourism. Part IV, "Home and community," presents chapters on various life stages, disability, gender, and culture. Part V, "Healing," examines medicine, mental and physical health, and ill-health. In Part VI, "Economy, politics, and law," contributors discuss business, leadership and the workplace, peace, and policing. Part VII, "Knowledge and education," includes chapters on science, design, fashion, literature, and the arts. In the final part, "Way forward," the editors look to the future with a chapter on inter-spirituality and the renewal of social practices. Driven by contemporary research and new developments, this Handbook is an innovative and interdisciplinary collection that provides an essential overview of contemporary spirituality and society from an international selection of contributors. The Routledge International Handbook of Spirituality in Society and the Professions offers accessible, diverse, and engaging international research, and its scope will appeal to academics and students of a wide range of subjects, including aging and addiction, psychology, theology, religious studies, sociology, business studies, and philosophy. It will also be an important work for professionals in medical and social services, the clergy, education, business, the arts, religious communities, and politics, and members of organizations looking at the links between spirituality, religion, and society.

This book is designed to guide you toward making the empowering personal choices that lead to greater fulfillment within any aspect of life. By living more consciously, you may begin to tap into your greatest potential for creating more love, joy, peace, and abundance. Organized within the seven steps of the "Empower Model," this book offers you the practical wisdom and tools to live More Consciously and Empowered! To live "consciously," is to live in present moment awareness, while aligning with higher principles. To be "empowered" means to live within the strength that supports us in choosing to honor ourselves and others in all situations. This is possible for all people, yet it takes more than wishful thinking, and it cannot be provided by anyone else. What is required is an incremental shift from within; the on-going practice of personal and spiritual growth and healing. This will take great courage, honesty, accountability, and the intention of living your life to its greatest potential. ARE YOU READY to live your highest purpose and potential?

"The Wiccan Minister's Manual, A Guide For Priests and Priestesses, " was inspired as a training aid for those who would like to become Wiccan Ministers, as well as an aid for Wiccan/Pagan Priests and Priestesses. The Craft is evolving, becoming more and more accepted by society, and there is beginning to be a definite distinction between Wiccan Laity and Wiccan Clergy. Part One - Guidance - Making the spiritual connection to personal deity through love, prayer, meditation, ritual, and myth and how to guide others to create their own personal connections. Part Two - Wiccan religious philosophy and guidance - How to live a spiritual life in the modern world. Part Three - various methods of healing mind, body and spirit - including some legal pit-falls to avoid, plus chapter eleven presents an extensive discourse on Pastoral Counseling. Part Four deals with psychic self-defense and rituals of protection. Including House Clearings, Banishings, and Exorcism. Additionally, the author explains what to look for and what to look out for while determining if an exorcism is really needed or if the client is suffering from psychosis and is in need of a professional therapist. Part Five focuses upon the spiritual support roles. It covers, dealing with death and dying, Funerals, Prison Ministry, Legal requirements of doing Handfastings in all 50 states, plus a discourse on whether or not to incorporate. This work begins to fill yet another gap in this area of the Wiccan religious structure as it brings back much of the older knowledge and philosophy that seems to be waning from the collective Wiccan memory. Reviewed by Edain McCoy; "Kevin, I received my copy of "Wiccan Minister's Manual Its terrific! You cover everything... Personally, I think you did a great job at making your book useful to all trads."
